Debtors.	:	(Jointly Administered)

22, 2016 (together with all other documents contemplated thereby, as such agreement has been or may be amended, restated or supplemented, the “Purchase Agreement”), a copy of which is attached hereto as **Exhibit 1** and is incorporated herein by reference as if set forth herein, free and clear of all Liens, Claims, and Interests (each as defined below) with the exceptions of the Assumed Liabilities and Senior Liens (each as defined below); (b) authorizing the assumption and assignment of certain executory contracts and unexpired leases to the Buyer; and (c) granting related relief, all as more fully set forth in the Motion; and the Court having entered the *Order (I) Approving Bidding and Sale Procedures for the Sale of the Debtors' Assets, (II) Approving the Sale of Such Assets, (III) Approving the Form and Manner of Notice of the Related Assumption and Assignment of Executory Contracts and Unexpired Leases and (IV) Scheduling an Auction and Sale Hearing* [Docket No. 183] (the “Bidding Procedures Order”); and no auction (the “Auction”) for the Assets having been held because no additional Qualified Bids (as defined in the Bid Procedures Order) were received by the Debtors other than the bid pursuant to the Purchase Agreement; and the Debtors having filed the *Notice of Designation of Successful Bidder for Designated Assets and Cancellation of Auction for Designated Assets* [Docket No. 323] (the “Notice of Successful Bidder”) cancelling the Auction and identifying the Buyer as the Successful Bidder for the Assets in accordance with the Bidding Procedures Order; and the Court having found that the relief requested in the Motion is in the best interests of the Debtors and their estates, their creditors, and all other parties in interest; and the Court having reviewed the Motion and having heard the statements and evidence in support of the relief requested therein at a hearing before the Court that commenced on February 10, 2017 (the “Sale Hearing”); and the Court having determined that the legal and factual bases set forth in the Motion and at the Sale Hearing establish just cause for the relief granted herein; and upon all of the proceedings had

before the Court; and after due deliberation and sufficient cause appearing therefor, **IT IS HEREBY FOUND AND DETERMINED THAT:**

Findings of Fact and Conclusions of Law

A. The findings of fact and conclusions of law herein constitute the Court's findings of fact and conclusions of law for the purposes of Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014. To the extent any findings of facts are conclusions of law, they are adopted as such. To the extent any conclusions of law are findings of fact, they are adopted as such.

Jurisdiction and Venue

B. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. Without limiting the generality of the foregoing, this Court has exclusive *in rem* jurisdiction over the Assets pursuant to 28 U.S.C. § 1334(e), as such Assets are property of the Debtors' chapter 11 estates, and, as a result of such jurisdiction, this Court has all necessary power and authority to grant the relief contained herein. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A) and (N). Venue in this district is proper under 28 U.S.C. §§ 1408 and 1409.

Statutory Predicates

C. The statutory and other legal bases for the relief requested in the Motion are sections 105(a), 363, and 365 of the Bankruptcy Code, as supplemented by Bankruptcy Rules 2002, 6004, 6006, 9007, 9008 and 9014. The consummation of the transactions contemplated by the Purchase Agreement and this Order (the "Transactions") is legal, valid and properly authorized under all applicable provisions of the Bankruptcy Code, the Bankruptcy Rules and the Local Rules and the Debtors, MSEC, the Buyer, HB Parent (as defined below), and their

affiliates have complied with all of the applicable requirements of such sections and rules in respect of the Transactions.

Notice

D. As evidenced by the affidavits and/or certificates of service filed with the Court, proper, timely, adequate, and sufficient notice of the Motion, the Bidding Procedures, the cancellation of the Auction, the Sale (and the Transactions contemplated in connection therewith), the assumption and assignment to the Buyer of the executory contracts and unexpired leases specified as of the date hereof pursuant to the Purchase Agreement, or as may be subsequently designated to be an “Excluded Contract” and “Excluded Asset” or as an “Asset” and “Assigned Contract” or “Assigned Lease and Interest” (each as defined in the Purchase Agreement) at any time prior to Closing in accordance with Section 2.5 of the Purchase Agreement (the “Assigned Contracts” and the “Assigned Leases,” respectively), the Cure Costs (as defined below), the Sale Hearing, and all deadlines related thereto, has been provided, as relevant, in accordance with sections 102(1), 363, and 365 of the Bankruptcy Code and Bankruptcy Rules 2002, 6004, 6006, 9007, 9008 and 9014, and in compliance with the Bidding Procedures Order, to all interested persons and entities.

E. The Debtors served notices substantially in the form included in the *Notice of Proposed Assumption and Assignment of Executory Contracts and Unexpired Leases in Connection with the Sale of Certain of the Debtors’ Assets and the Proposed Cure Costs* [Docket No. 231] (each a “Notice of Assumption and Assignment”), in accordance with the Bidding Procedures Order, identifying, among other things, the Cure Costs (as defined below). The Debtors served the Notice of Assumption and Assignment on each of the non-Debtor counterparties to the Assigned Contracts and the Assigned Leases. The service of the Notice of

Assumption and Assignment was sufficient under the circumstances and in full compliance with the Bidding Procedures Order, and no further notice need be provided in respect of the Debtors' assumption and assignment to the Buyer of the Assigned Contracts and the Assigned Leases or the Cure Costs. All non-Debtor counterparties to the Assigned Contracts and the Assigned Leases have had an adequate opportunity to object to the assumption and assignment of the Assigned Contracts and the Assigned Leases and the Cure Costs.

F. The notice described in the foregoing paragraphs is good, sufficient, and appropriate under the circumstances, and no other or further notice of the Motion, the Bidding Procedures, the cancellation of the Auction, the Sale (and the Transactions contemplated in connection therewith), the assumption and assignment to the Buyer of the Assigned Contracts and the Assigned Leases, the Cure Costs, the Sale Hearing, consent and preferential purchase rights related to oil and gas interests, and all deadlines related thereto is or shall be required.

Marketing and Sale Process

G. The Sale of the Assets to the Buyer pursuant to the Bidding Procedures is duly authorized pursuant to sections 363(b)(1) and 363(f) of the Bankruptcy Code and Bankruptcy Rule 6004(f). As demonstrated by (i) testimony and other evidence proffered or adduced at the Sale Hearing, and (ii) the representations of counsel made on the record at the Sale Hearing, the Debtors and their professionals, agents, and other representatives have marketed the Assets and conducted all aspects of the sale process, including the solicitation of bids for an Auction, in good faith and in compliance with the Bidding Procedures and the Bidding Procedures Order. The marketing process undertaken by the Debtors and their professionals, agents and other representatives with respect to the Assets has been adequate and appropriate and reasonably calculated to maximize value for the benefit of all stakeholders. The

Bidding Procedures and the cancellation of the Auction were duly noticed, were substantively and procedurally fair to all parties, including all Potential Bidders and including with respect to all provisions governing credit bidding, and were conducted in a diligent, non-collusive, fair and good-faith manner.

H. The Bid Deadline passed at 5:00 p.m. (prevailing Eastern Time), on January 17, 2017 in accordance with the Bidding Procedures and Bidding Procedures Order. The Debtors cancelled the Auction in accordance with the Bidding Procedures and Bidding Procedures Order because no other Qualified Bids (as defined in the Bidding Procedures) were submitted. Pursuant to the terms of the Bidding Procedures, the Transactions contemplated by the Purchase Agreement constituted the highest and best bid for the Assets and, therefore, were designated as the Successful Bid. On January 20, 2017, the Debtors filed the Notice of Successful Bidder identifying the Buyer as the Successful Bidder for the Assets in accordance with the Bidding Procedures Order. As established by the record of the Sale Hearing, the bidding and related procedures established by the Bidding Procedures Order have been complied with in all material respects by the Debtors, MSEC, HB Parent, the Buyer, and all of their affiliates. The Bidding Procedures afforded a full, fair and reasonable opportunity for any entity or person to make a higher or otherwise better offer to purchase the Assets, and the Purchase Agreement constitutes the best and highest offer for the Assets.

Corporate Authority

I. The Assets constitute property of the Debtors' estates and title thereto is vested in the Debtors' estates within the meaning of section 541 of the Bankruptcy Code. The Debtors (i) have full corporate power and authority to execute the Purchase Agreement and all other documents contemplated thereby, and the Sale to the Buyer has been duly and validly

authorized by all necessary corporate action, (ii) have all of the corporate power and authority necessary to consummate the Sale and the Transactions contemplated by the Purchase Agreement, (iii) have taken all corporate action necessary to authorize and approve the Purchase Agreement and the consummation by the Debtors of the Sale and the Transactions contemplated thereby, and (iv) require no consents or approvals, other than those expressly provided for in the Purchase Agreement, to consummate the Transactions.

Highest and Best Offer; Business Judgment

J. The Debtors have demonstrated a sufficient basis to enter into the Purchase Agreement, sell the Assets on the terms outlined therein and assume and assign the Assigned Contracts and the Assigned Leases to the Buyer under sections 363 and 365 of the Bankruptcy Code. All such actions are appropriate exercises of the Debtors' business judgment and in the best interests of the Debtors, their creditors, their estates and other parties in interest. Approval of the Sale pursuant to the Purchase Agreement at this time is in the best interests of the Debtors, their creditors, their estates, and all other parties in interest.

K. The offer of the Buyer, upon the terms and conditions set forth in the Purchase Agreement, including the total consideration to be realized by the Debtors thereunder, (i) is the highest and best offer received by the Debtors after extensive marketing, including through the Bidding Procedures, (ii) is in the best interests of the Debtors, their creditors, their estates and other parties in interest and (iii) constitutes full and adequate consideration, is fair and reasonable and constitutes reasonably equivalent value, fair consideration, and fair value for the Assets under the Bankruptcy Code, the Uniform Fraudulent Transfer Act, and under the laws of the United States, any state, territory, possession, or the District of Columbia. Taking into

consideration all relevant factors and circumstances, no other entity has offered to purchase the Assets for greater economic value to the Debtors or their estates.

L. There has been no showing that any of the Debtors or Buyer (i) has entered into the Purchase Agreement or proposes to consummate the Transactions for the purposes of hindering, delaying, or defrauding the Debtors' present or future creditors or (ii) is entering into the Purchase Agreement or proposing to consummate the Transactions fraudulently, for the purpose of statutory or common law fraudulent conveyance and fraudulent transfer claims, whether under the Bankruptcy Code or under the laws of the United States, any state, territory, possession thereof or the District of Columbia or any other applicable jurisdiction with laws substantially similar to the foregoing.

M. The sale of the Assets outside a chapter 11 plan pursuant to the Purchase Agreement neither impermissibly restructures the rights of the Debtors' creditors nor impermissibly dictates the terms of a chapter 11 plan of the Debtors. The sale of the Assets does not constitute a sub rosa chapter 11 plan.

Opportunity to Object

N. A reasonable opportunity to object or be heard with respect to the Motion, the Bidding Procedures, the Sale (and the Transactions contemplated in connection therewith), the assumption and assignment to the Buyer of the Assigned Contracts and the Assigned Leases, the Cure Costs, the Sale Hearing, consent and preferential purchase rights related to oil and gas interests, and all deadlines related thereto has been afforded to all interested persons and entities.

Good Faith Purchaser; Arm's Length Sale

O. The Purchase Agreement was negotiated, proposed, and entered into by the Debtors, the Buyer, and MSEC without collusion, in good faith, and from arm's length

bargaining positions. Neither the Debtors, the Buyer, HPS Investment Partners, LLC (“HB Parent”), MSEC, nor any parent or affiliate of the Buyer, MSEC, or HB Parent has engaged in any conduct that would cause or permit the Purchase Agreement or the Sale to be avoided under section 363(n) of the Bankruptcy Code.

P. The Buyer is a good-faith purchaser under section 363(m) of the Bankruptcy Code and, as such, is entitled to all of the protections afforded thereby. The Buyer, HB Parent, MSEC, in its capacities as administrative agents under the DIP Credit Agreement and the First Lien Credit Agreement, and all of their affiliates are released from any liability related to or arising from submission of the Credit Bid (as defined below).

Q. Neither MSEC, Buyer, HB Parent nor any of their affiliates, members, officers, directors, shareholders or any of their respective successors or assigns is an “insider” or “affiliate” of any of the Debtors, as those terms are defined in sections 101(31) and 101(2) of the Bankruptcy Code, and the Buyer’s professionals, agents and other representatives have complied in all respects with the Bidding Procedures Order and all other applicable orders of this Court in negotiating and entering into the Purchase Agreement. The Purchase Agreement complies with the Bidding Procedures Order and all other applicable orders of this Court.

Free and Clear Transfer Required by Buyer

R. The Buyer would not have entered into the Purchase Agreement and would not have consummated the Sale, thus adversely affecting the Debtors, their estates, and their creditors, if each of the Sale and the assumption and assignment of the Assigned Contracts and the Assigned Leases to the Buyer were not free and clear of all Liens, Claims, and Interests of any kind or nature whatsoever (with the exceptions of the Assumed Liabilities and Senior Liens inclusive of Seller’s Liabilities under the Assigned Contracts to the extent arising at or

after the Closing Date) as more fully set forth in Paragraph 9 of this Order, or if the Buyer would, or in the future could, be liable for any of the Excluded Liabilities. For the avoidance of doubt, neither the Buyer, HB Parent, MSEC, nor any of their affiliates shall have any responsibility whatsoever with respect to the Excluded Liabilities, which shall remain the responsibility of the Debtors before, on, and after the Closing.

S. As of the Closing, pursuant and subject to the terms of the Purchase Agreement and this Order, the transfer of the Assets and of the Assumed Liabilities and the Sale will effect a legal, valid, enforceable, and effective transfer of the Assets and will vest the Buyer with all of the Debtors' rights, title, and interests in the Assets free and clear of all Liens, Claims, and Interests of any kind or nature whatsoever (with the exceptions of the Assumed Liabilities and Senior Liens).

Satisfaction of Section 363(f)

T. The Debtors may sell the Assets free and clear of any and all Liens, Claims, and Interests of any kind or nature whatsoever (with the exception of the Senior Liens), including any rights or claims based on any putative successor or transferee liability, as set forth herein, because, in each case, one or more of the standards set forth in section 363(f)(1)–(5) of the Bankruptcy Code has been satisfied. All parties in interest, including, without limitation, any holders of Liens, Claims, and/or Interests, and holders of any consent and preferential purchase rights related to oil and gas interests, and any non-Debtor counterparties to the Assigned Contracts and Assigned Leases, that did not object, or who withdrew their objection, to the Sale, the Motion, the assumption and assignment of the applicable Assigned Contract or Assigned Lease or the associated Cure Cost are deemed to have consented to the relief granted herein pursuant to section 363(f)(2) of the Bankruptcy Code. Those holders of Liens, Claims, or

Interests and non-Debtor parties to Assigned Contracts and Assigned Leases that did not object fall within one or more of the other subsections of section 363(f) of the Bankruptcy Code.

Assigned Contracts and Assigned Leases

U. The Debtors have demonstrated (i) that it is an exercise of their sound business judgment to assume and assign the Assigned Contracts and the Assigned Leases to the Buyer in each case in connection with the consummation of the Sale and (ii) that the assumption and assignment of the Assigned Contracts and the Assigned Leases to the Buyer is in the best interests of the Debtors, their estates and creditors, and other parties in interest. The Assigned Contracts and the Assigned Leases being assigned to the Buyer are an integral part of the Assets being purchased by the Buyer and, accordingly, such assumption, assignment and cure of any defaults under the Assigned Contracts and the Assigned Leases are reasonable and enhance the value of the Debtors' estates. Any non-Debtor counterparty to an Assigned Contract or Assigned Lease that has not actually filed with the Court an objection to such assumption and assignment in accordance with the terms of the Motion is deemed to have consented to such assumption and assignment.

Cure Costs and Adequate Assurance

V. The Debtors and the Buyer, as applicable, have, including by way of entering into the Purchase Agreement, and agreeing to the provisions relating to the Assigned Contracts and Assigned Leases therein, (i) cured, or provided adequate assurance of cure, of any default existing prior to the date hereof under any of the Assigned Contracts and Assigned Leases within the meaning of section 365(b)(1)(A) of the Bankruptcy Code and (ii) provided compensation or adequate assurance of compensation to any party for any actual pecuniary loss to such party resulting from a default prior to the date hereof under any of the Assigned

Contracts and the Assigned Leases within the meaning of section 365(b)(1)(B) of the Bankruptcy Code and the Buyer has, based upon the record of these proceedings, including the evidence proffered by the Debtors at the Sale Hearing, provided adequate assurance of its future performance of and under the Assigned Contracts and the Assigned Leases pursuant to sections 365(b)(1) and 365(f)(2) of the Bankruptcy Code. The Buyer's agreement under the Purchase Agreement to perform the obligations under the Assigned Contracts and the Assigned Leases after the Closing shall constitute adequate assurance of future performance under the Assigned Contracts and the Assigned Leases being assigned to the Buyer within the meaning of sections 365(b)(1)(C) and 365(f)(2)(B) of the Bankruptcy Code. The Cure Costs are hereby found to be the sole amounts necessary to cure any and all defaults under the Assigned Contracts and the Assigned Leases under section 365(b) of the Bankruptcy Code.

Time Is of the Essence; Waiver of Stay

W. Time is of the essence in consummating the Sale. In order to maximize the value of the Assets, it is essential that the sale and assignment of the Assets occur within the time constraints set forth in the Purchase Agreement. Accordingly, there is cause to waive the stays contemplated by Bankruptcy Rules 6004 and 6006.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED THAT:

Motion is Granted

1. The relief requested by the Motion is granted as set forth herein.

Objections Overruled

2. All objections to the entry of this Order or to the relief granted herein, whether filed, stated on the record before this Court or otherwise, which have not been withdrawn, waived, or settled, and all reservations of rights included therein, are denied and

overruled on the merits. All objections to the entry of this Order or to the relief granted herein that were not timely filed are hereby forever barred.

3. Notice of the Motion, the Bidding Procedures, the Sale (and the Transactions contemplated in connection therewith), the assumption and assignment to the Buyer of the Assigned Contracts and the Assigned Leases, the Cure Costs, the Sale Hearing, consent and preferential purchase rights related to oil and gas interests, and all deadlines related thereto was fair and equitable under the circumstances and complied in all respects with section 102(1) of the Bankruptcy Code and Bankruptcy Rules 2002, 6004 and 6006.

Approval of the Purchase Agreement

4. The Purchase Agreement, including all of the terms and conditions thereof, is hereby approved. Pursuant to sections 105, 363 and 365 of the Bankruptcy Code, the Debtors are authorized and directed to take any and all actions necessary to fulfill their obligations under, and comply with the terms of, the Purchase Agreement and to consummate the Sale pursuant to and in accordance with the terms and conditions of the Purchase Agreement and this Order, without further leave of the Court. The Debtors are further authorized and directed to pay, without further order of this Court, whether before, at, or after the Closing, any expenses or costs that are required to be paid in order to consummate the Transactions contemplated by the Purchase Agreement or perform their obligations under the Purchase Agreement.

5. The Debtors are authorized and directed, in accordance with the Purchase Agreement, to execute and deliver, and empowered to perform under, consummate, and implement, the Purchase Agreement, together with all additional instruments, documents, and other agreements that may be reasonably necessary or desirable to implement the Purchase Agreement, and to take all further actions as may be reasonably requested by the Buyer for the

purpose of assigning, transferring, granting, conveying and conferring to the Buyer or reducing to possession, the Assets, or as may be reasonably necessary or appropriate to the performance of the obligations as contemplated by the Purchase Agreement.

6. Buyer and the Debtors have no obligation to proceed with the Closing unless and until all conditions precedent to its obligations to do so, as set forth in the Purchase Agreement, have been met, satisfied or waived in accordance with the terms of the Purchase Agreement.

Binding Effect of Order

7. This Order and the Purchase Agreement shall be binding upon all creditors of, and equity holders in, the Debtors and any and all other parties in interest, including, without limitation, any and all holders of Liens, Claims, and Interests (including holders of any rights or claims based on any putative successor or transferee liability) of any kind or nature whatsoever, all non-Debtor parties to the Assigned Contracts and the Assigned Leases, the Buyer, the Debtors and their affiliates and subsidiaries, and any trustee or successor trustee appointed in the Debtors' chapter 11 cases or upon a conversion to chapter 7 under the Bankruptcy Code.

Amendments to the Purchase Agreement

8. The Purchase Agreement and any related agreements, documents, or other instruments may be modified, amended, supplemented or restated by the parties thereto in a writing signed by such parties and in accordance with the terms thereof, without further order of this Court, provided that any such modification, amendment, supplement or restatement does not have a material adverse effect on the Debtors' estates. The Purchase Agreement and the Debtors obligations therein shall not be altered, amended, rejected, discharged or otherwise affected by

any chapter 11 plan proposed or confirmed in these bankruptcy cases without the prior written consent of the Buyer and MSEC.

Transfer of the Assets Free and Clear

9. The Buyer shall assume and be liable for only those liabilities expressly assumed pursuant to the Purchase Agreement. On the Closing, the Buyer shall take title to and possession of the Assets subject only to the Assumed Liabilities and Senior Liens. Police and Regulatory Power of Governmental Units

14. Nothing in this Order or the Purchase Agreement releases, nullifies, precludes, or enjoins the enforcement of any police power by, or any regulatory liability to, any governmental unit under any applicable Environmental Laws on the part of any entity as the owner or operator of property after the Closing. Nothing in this Order or any document governing the Sale Transaction authorizes the transfer or assignment of any governmental (a) license, (b) permit, (c) registration, (d) authorization, or (e) approval, or the discontinuation of any obligation thereunder, without compliance with all applicable legal requirements and approvals under police or regulatory law; provided that to the extent provided by section 525 of the Bankruptcy Code, no governmental unit may deny, revoke, suspend, or refuse to renew any permit, license, or similar grant relating to the operation of the Assets on account of the filing or pendency of these chapter 11 cases or, to the extent provided by section 525 of the Bankruptcy Code, the consummation of the Transactions contemplated by the Purchase Agreement, including, without limitation, the Sale and the Debtors' assumption and assignment of the Assigned Contracts and Assigned Leases to the Buyer. Nothing in this Order divests any

tribunal of any jurisdiction it may have under police or regulatory law to interpret this Order or to adjudicate any defense asserted under this Order.

15. Nothing in this Order shall affect any decommissioning obligations and financial requirements under the Federal Lease(s) (as defined below), as determined by the Department of Interior of the United States, that must be met by the Debtors or their successors and assigns on the Federal Lease(s) going forward. Any assignment and/or transfer of any interests in federal oil and gas leases that are Assets (the “Federal Lease(s)”) will be ineffective absent the consent of the United States to be given or withheld in accordance with applicable law. Nothing in this Order or the documents governing the Sale Transaction shall be interpreted to set cure amounts for Federal Lease(s) or to require the United States to novate or otherwise consent to the assignment and/or transfer of any interests in the Federal Lease(s). Except to the extent already paid by the Debtors, any obligations for royalties owed to the United States with respect to the Federal Lease(s), whether unpaid pre-petition or post-petition royalties, are assumed by the Buyer and shall be paid in full, in cash, when due in the ordinary course. Assigned Contracts and the Assigned Leases is hereby approved, and the requirements of section 365(b)(1) of the Bankruptcy Code with respect thereto are hereby deemed satisfied.

18. The Debtors are hereby authorized, in accordance with the Purchase Agreement, and in accordance with sections 105(a) and 365 of the Bankruptcy Code, to (i) assume and assign to the Buyer the Assigned Contracts and the Assigned Leases, effective upon and subject to the occurrence of the Closing, free and clear of all Liens, Claims, and Interests of any kind or nature whatsoever (with the exceptions of the Assumed Liabilities and Senior Liens), which Assigned Contracts and Assigned Leases, by operation of this Order, shall be deemed assumed and assigned to the Buyer effective as of the Closing, and (ii) execute and deliver to the Buyer such documents or other instruments as the Buyer may deem necessary to assign and transfer the Assigned Contracts and the Assigned Leases to the Buyer.

19. Subject to Paragraph 20 and 22 hereof:

- a. The Debtors are authorized to and shall assume all of the Assigned Contracts and the Assigned Leases in accordance with section 365 of the Bankruptcy Code.
- b. The Debtors are authorized to and shall assign each Assigned Contract and Assigned Lease to the Buyer in accordance with sections 363 and 365 of the Bankruptcy Code, and any provisions in any Assigned Contract or Assigned Lease that prohibit or condition the assignment of such Assigned Contract or Assigned Lease on the consent of the counterparty thereto or allow the non-Debtor party to such Assigned Contract or Assigned Lease to terminate, recapture, impose any penalty, condition, renewal or extension, or modify any term or condition upon the assignment of such Assigned Contract or Assigned Lease, shall constitute unenforceable anti-assignment provisions which are expressly preempted under section 365 of the Bankruptcy Code and void and of no force and effect.
- c. All requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption and assignment of the Assigned Contracts and Assigned Leases by the Debtors to the Buyer have been satisfied.
- d. Upon the Closing, the Assigned Contracts and Assigned Leases shall be transferred and assigned to, and remain in full force and effect for the

benefit of, the Buyer in accordance with their respective terms, notwithstanding any provision in any such Assigned Contract or Assigned Lease (including those of the type described in sections 365(b)(2), 365(e)(1) and 365(f) of the Bankruptcy Code) that prohibits, restricts, limits, or conditions such assignment or transfer.

- e. After the Debtors' transfer and assignment of the Assigned Contracts and the Assigned Leases to the Buyer, in accordance with sections 363 and 365 of the Bankruptcy Code, the Buyer shall be fully and irrevocably vested in all right, title, and interest of each Assigned Contract and Assigned Lease free and clear of Liens, Claims, and Interests with the exceptions of the Assumed Liabilities and Senior Liens inclusive of Seller's Liabilities under the Assigned Contracts to the extent arising at or after the Closing Date.
- f. Any portion of any Assigned Lease which purports to permit a landlord thereunder to cancel the remaining term of such Assigned Lease if the Debtors discontinue their use or operation of the leased premises is void and of no force and effect, and shall not be enforceable against the Buyer, or its assignees and sublessees; and the landlords under any such Assigned Lease shall not have the right to cancel or otherwise modify the Assigned Lease or increase the rent, assert any claim or impose any penalty by reason of such discontinuation, the Debtors' cessation of operations, the assignment of such Assigned Lease to the Buyer, or the interruption of business activities at any of the leased premises.
- g. The failure of the Debtors, to enforce, at any time prior to the Closing Date, one or more terms or conditions of any Assumed Contract or Assumed Lease shall not be a waiver of such terms or conditions, or of the Buyer's rights to enforce every term and condition of the Assumed Contract and Assumed Leases.
- h. There shall be no rent accelerations, assignment fees, increases, or any other fees charged to the Buyer as a result of the assumption, assignment, and sale of the Assumed Contract and Assumed Leases.

20. All defaults and all other obligations of the Debtors under the Assigned Contracts and the Assigned Leases occurring, arising or accruing prior to the assignment thereof to the Buyer at Closing (without giving effect to any acceleration clauses or any default provisions of the kind specified in section 365(b)(2) of the Bankruptcy Code) are deemed to have been cured or satisfied by the payment of the proposed amount necessary, if any, to cure all monetary defaults, if any, under each Assigned Contract and Assigned Lease in the amounts set

forth in the Notice of Assumption and Assignment or any supplemental Notice of Assumption and Assignment (or any other cure cost reached by agreement after an objection to the proposed cure cost by a counterparty to an Assigned Contract or Assigned Lease), which was served in compliance with the Bidding Procedures Order, and is set forth on the schedule attached hereto as **Exhibit 2** (the “Cure Costs”), and which Cure Costs were satisfied, or shall be satisfied as soon as practicable, by the Debtors or by the Buyer, as the case may be, as provided in the Purchase Agreement. For all Assigned Contracts and Assigned Leases for which a Notice of Assumption and Assignment was served, the Debtors and the Buyer, as applicable, are each authorized and directed to pay their respective portion of all Cure Costs required to be paid by such parties in accordance with the Purchase Agreement upon the Closing. For any Assigned Contract or Assigned Lease not set forth on **Exhibit 2** hereof that is designated by Buyer to be an Assigned Contract or Assigned Lease after the date of this Order in accordance with the Purchase Agreement, Debtor shall file a Notice of Assumption and Assignment on the counterparties thereto that identifies the Cure Costs, and, to the extent no objection is received to such notice within 10 days of the date of mailing, such Assigned Contract or Assigned Lease shall be deemed assumed and assigned to Buyer as an Assigned Contract or Assigned Lease with the Cure Costs set forth in such notice and subject to all relief set forth herein that applies to Assigned Contracts and Assigned Leases effective as of the Closing. To the extent a timely objection to such notice is received, such objection will be adjudicated by this Court.

(f) Transferred Employees. All Liabilities owed to any Transferred Employee arising from or relating to his or her employment or engagement by Buyer or its Affiliate for periods after such Transferred Employee's Hire Date;

(g) Expenses. Without duplication of any other Assumed Liability, all post-petition expenses of the Company that have accrued after the commencement of the Bankruptcy Case and remain unpaid as of the Closing Date (including accrued but unpaid professional fees (but excluding, for the avoidance of doubt, the Unused Professional Fee Budget Amount), unpaid amounts under the key employee incentive plan and unpaid post-petition vendor payments for both Assets and Excluded Assets) to the extent (and only to the extent) that such Liabilities (i) are incurred strictly in accordance with the DIP Credit Agreement as in effect on the Effective Date and (ii) do not exceed the amount allocated for each such expense and/or line-item in the Final DIP Budget by more than five percent (5%), it being understood that post-petition accrued revenue distributions, severance Taxes and ad valorem Taxes as of the Closing Date will be scheduled separately since these payments are not due until after the last day covered by the Final DIP Budget; and

(h) Other Assets. To the extent not already described in Section 2.3(a) through Section 2.3(g) above, all Property Costs arising from, related to or associated with the Assets, in each case, to the extent accruing on or after the Closing Date.

The assumption by Buyer of the Assumed Liabilities shall not, in any way, enlarge the rights of any Third Parties relating thereto. For the avoidance of doubt, all Liabilities arising out of or related to the Assets or the operations thereof prior to the Closing Date shall not be Assumed Liabilities unless specifically provided in this Agreement.

2.4 Excluded Liabilities.

Notwithstanding any provision in this Agreement to the contrary, Buyer shall not assume and shall not be obligated to assume or be obliged to pay, perform or otherwise discharge any Liability of Sellers other than the Assumed Liabilities, and Sellers shall be solely and exclusively liable with respect to all Liabilities of Sellers (including all Liabilities arising out of or relating to the Assets or the operation thereof prior to the Closing Date) (such Liabilities, collectively, the "Excluded Liabilities"). For purposes of clarity, and without limitation of the generality of the foregoing, the Excluded Liabilities shall include, without limitation, each of the following Liabilities:

- (a) all indebtedness for borrowed money of Sellers;
- (b) all guarantees of Third Party obligations by Sellers and reimbursement obligations to guarantors of Sellers' obligations or under letters of credit;
- (c) all accrued expenses and accounts payable other than Cure Costs related to the Desired 365 Contracts;
- (d) (i) Tax liabilities which are Asset Taxes that are the responsibility of Sellers pursuant to Section 8.1(b), (ii) any Taxes imposed on Sellers for any taxable period, and (iii) all Transfer Taxes;
- (e) those Actions and Proceedings set forth on, or required to be set forth on, Disclosure Schedule 5.14;
- (f) all Liabilities of Sellers to any owner or former owner of capital stock or warrants, or holder of indebtedness for borrowed money;
- (g) all Liabilities arising out of or relating to (i) any Seller Benefit Plan or any other employee benefit or compensation plan, program or arrangement sponsored, maintained or contributed to by Sellers or any ERISA Affiliate or to which any Seller or any ERISA Affiliate was obligated to contribute at any time on or prior to the Closing Date, including all Controlled Group Liabilities; or (ii) the employment or engagement of: (1) any employee or contractor of a Seller or its Affiliate who does not become a Transferred Employee; or (2) any Transferred Employee to the extent such Liability is attributable to the employment or engagement of such Transferred Employee on or prior to such Transferred Employee's Hire Date;
- (h) all Liabilities (including environmental Liabilities) related to the Excluded Assets;
- (i) all obligations under any futures contracts, options on futures, swap agreements or forward sale agreements entered into by Sellers;
- (j) all obligations arising out of or relating to the accounting for, failure to pay or the incorrect payment to or from any royalty owner, overriding royalty owner, working interest owner or other interest holder under the Assets and escheat obligations, in each case, insofar as the same are attributable to periods, and Hydrocarbons produced and marketed with respect to the Assets, prior to the Closing Date;
- (k) all Liabilities arising out of or relating to disposal of Hazardous Substances off-site of the Assets prior to Closing;
- (l) all Liabilities related to death or physical injury to any Person arising out of or relating to the ownership or operation of the Assets occurring prior to the Closing Date;
- (m) all Liabilities related to property damage of any Third Party related to or arising out of or relating to the ownership or operation of the Assets prior to the Closing Date;
- (n) all Liabilities related to any acts or omissions of gross negligence or willful misconduct of any member of the Seller Group related to or arising out of or relating to the ownership or operation of the Assets;

(o) any fines or penalties imposed or assessed related to or arising out of or relating to the ownership or operation of the Assets prior to the Closing Date (including fines and penalties imposed or assessed in connection with Sellers' pre-Closing violation of Legal Requirements, including Environmental Laws), except to the extent such fines or penalties are imposed or assessed relating to or arising out of the actions of Buyer or its Affiliates after the Closing Date.

(p) any actions, suits or proceedings that are pending prior to the Closing Date related to or arising out of or relating to the ownership or operation of the Assets;

(q) all Cure Costs associated with or otherwise attributable to each 365 Contract that is not a Desired 365 Contract, whether arising prior to, at or after the Closing Date;

(r) all environmental Liabilities arising out of or relating to the Assets, the operation thereof or Sellers' respective businesses, including with respect to offsite disposal issues, prior to the Closing Date (including all Liabilities arising as a result of or otherwise in connection with the matters disclosed in Disclosure Schedule 5.23); and

(s) all Liabilities arising out of or relating to violations or failure to comply with Legal Requirements (including Environmental Laws) prior to the Closing Date.

2.5 Cure Costs; Desired 365 Contracts.

(a) Schedule 2.5(a) sets forth (i) a true, complete and accurate list of all of Sellers' assets and liabilities located within the Subject Area (or otherwise pertaining to Sellers' assets located within the Subject Area), including all of Sellers' executory Contracts and unexpired Leases (each, a "365 Contract" and, collectively, the "365 Contracts") and (ii) Sellers' good faith estimate of the amount of the Cure Costs for each 365 Contract (the "Estimated Cure Costs"). Schedule 2.5(b) sets forth a complete list of all 365 Contracts that Buyer desires to (and with respect to which MSEC has given its consent for Buyer to) assume at the Closing (the "Desired 365 Contracts"). Without limiting Buyer's obligation to provide adequate assurance of performance pursuant to Section 8.3(a), upon Closing, Buyer shall pay or cause to be paid, pursuant to Section 365 of the Bankruptcy Code and the Sale Order, all agreed-upon Cure Costs relating to the assignment and assumption of the Desired 365 Contracts. In the event that any Cure Cost associated with any Desired 365 Contract is found to be greater than the Estimated Cure Costs for such Desired 365 Contract, then Buyer shall, at its election and with MSEC's consent (A) increase the amount of the cash Purchase Price allocated to cure defaults under the Desired 365 Contracts in an equivalent amount of such increase, or (B) remove the 365 Contract from Schedule 2.5(b) and such 365 Contract shall no longer constitute a "Desired 365 Contract".

(b) If Sellers obtain Knowledge of any omission or inaccuracy as to the 365 Contracts listed on Schedule 2.5(a) (whether or not such 365 Contract has been designated as an Excluded Asset) or with respect to any Estimated Cure Costs, or as may be reasonably requested by Buyer (with the consent of MSEC), Sellers shall promptly thereafter update, amend, and/or supplement Schedule 2.5(a), and, promptly following such update, amendment or supplement shall deliver a copy of such revised Schedule 2.5(a) to each of Buyer and MSEC and, subject to the time limitation set forth in Section 7.5(a), such Schedule 2.5(a) shall be deemed to have automatically been updated (without action of any Party or Person) to reflect such update, amendment or supplement. Sellers represent and warrant to Buyer and MSEC that the Estimated Cure Costs with respect to each such 365 Contract reflects, if applicable, the amount of Cure

Costs that may have been agreed to between Sellers and a counterparty as well as any Cure Costs that may have been asserted by any non-debtor parties, but which have not been resolved prior to the Effective Date. As promptly as practicable following the designation by Buyer (with the consent of MSEC) of any 365 Contract as an Desired 365 Contract hereunder, Sellers shall deliver a written notice in a form reasonably acceptable to Buyer to all non-debtor counterparties to any such Desired 365 Contract stating: (1) the Estimated Cure Cost for such Desired 365 Contract and (2) an objection deadline for such non-debtor party to object to such Estimated Cure Cost. If any non-debtor party objects to any Estimated Cure Costs, Sellers shall promptly after receiving such objection notify Buyer in writing of such objection (and thereafter keep Buyer reasonably informed as to the resolution of such objection).

(c) At any time prior to the Closing Date, Buyer shall have the right (subject to the consent of MSEC) to provide written notice to Sellers of Buyer's election to:

(i) designate a 365 Contract (including any 365 Contract that is a Desired 365 Contract immediately before such designation) as an Excluded Contract and Excluded Asset, and upon such designation such 365 Contract shall constitute an Excluded Contract and Excluded Asset (and, if applicable, shall cease to constitute an Asset); and

(ii) designate a 365 Contract as a Desired 365 Contract, and upon such designation such 365 Contract shall constitute an Asset and Assigned Contract or Assigned Lease and Interest, as applicable, subject to conveyance under this Agreement at Closing (and, if applicable, shall cease to constitute an Excluded Asset).

(d) Sellers shall give written notice to Buyer prior to the submission of any motion in the Bankruptcy Case to assume or reject any 365 Contract, together with a copy of the proposed order; *provided, however*, that Sellers shall not seek to reject, or reject, any Desired 365 Contract.

(e) If Buyer exercises its rights in clause (c) above to designate a 365 Contract as an Desired 365 Contract or as an Excluded Asset (as the case may be), then the Parties acknowledge and agree that there shall be no reduction in or increase to the Purchase Price as a result of such designation or change in designation.

2.6 Buyer's Right to Add or Remove Other Assets.

(a) Notwithstanding anything to the contrary in this Agreement, at any time prior to the Closing Date, if Buyer determines that any material change has occurred with respect to any Mineral Interest, document or other asset or property of any Seller (including, without limitation, in each case, the assertion of any Senior Lien by a Third Party burdening, or a material change in the cost to own and/or operate, such asset), in each case located within, or used in connection with or otherwise attributable to Sellers' assets that are located within, the Subject Area, Buyer shall have the right (subject to the consent of MSEC, which consent shall not be unreasonably withheld, conditioned or delayed), which may be exercised in Buyer's sole discretion, to provide written notice to Sellers of Buyer's election:

(i) if such Mineral Interest, document or other asset or property constitutes an Asset immediately before such designation, to designate such Asset as an Excluded Asset, and upon such designation such Asset shall constitute an Excluded Asset; and/or

(ii) if such Mineral Interest, document or other asset or property does not constitute an Asset immediately before such designation, to designate such

Mineral Interest, document or other asset or property as an Asset, and upon such designation such Mineral Interest, document or other asset or property shall constitute an Asset under this Agreement (and, if applicable, shall cease to constitute an Excluded Asset);

provided, however, that Buyer shall not have the right to add or remove Assets under this Section 2.6(a) solely on a well by well basis, which for illustrative purposes means:

(A) Buyer may not designate any Well as an Excluded Asset pursuant to this Section 2.6(a) without also designating the Assigned Leases and Interests that such Well is located on or traversing as an Excluded Asset; and

(B) Buyer may not designate any Excluded Well as an Asset pursuant to this Section 2.6(a) without also designating the Leases and Mineral Interests such Well is located on or traversing as an Asset (if such Lease and Mineral Interest does not already constitute an Asset hereunder).

(b) To the extent that Buyer makes a valid designation with respect to any Asset of Sellers pursuant to Section 2.6(a), the applicable Exhibits and Schedules to this Agreement shall be deemed to have automatically been updated (without action of any Party or Person) to reflect such designation.

(c) If Buyer exercises its rights under Sections 2.6(a) to designate any such assets or properties of Sellers as an Asset or as an Excluded Asset (as the case may be), then the Parties acknowledge and agree that there shall be no reduction or increase to the Purchase Price as a result of such designation or change in designation.

2.7 Assignment of Assets Subject to Consent Requirements.

If prior to the Closing Date any consent to assignment applicable to the transactions contemplated hereby, other than Governmental Authority consents or approvals customarily obtained post-Closing (a “**Post-Closing Consent**”), (a) has not been obtained, waived or satisfied, or (b) is no longer applicable to the transactions contemplated hereby by reason of any Bankruptcy Court Order, and further, failure to obtain such Third Party consent or waiver may result in (A) the termination of an Asset or cause such Asset to be void or voidable, (B) or such Asset or the assignment of any such Asset to Buyer to be void or voidable, or (C) material Liabilities to Buyer, or (D) an adverse effect on the value, ownership, operation or development of any Asset (each such consent, a “**Hard Consent**”), the Properties affected by such Third Party Hard Consent shall be held back from the Assets conveyed at Closing. From and after the date hereof Sellers shall use commercially reasonable efforts to obtain any Hard Consents (including delivering notices to all Third Parties holding any Hard Consents as promptly as practicable following the date of this Agreement). If a Hard Consent is obtained following Closing, any Property so held back at the Closing will be conveyed to Buyer within ten (10) Business Days after such Hard Consent has been obtained, waived or otherwise satisfied; *provided*, that if any such Hard Consent is obtained on a date that is later than ninety (90) days after the Closing Date, Buyer may refuse to accept conveyance of the Property or Properties burdened thereby (at Buyer’s sole discretion). At such subsequent closing, Sellers shall contribute, assign, transfer and convey to Buyer, and Buyer shall acquire and accept from Sellers, such Property pursuant to the terms of this Agreement. Except for Hard Consents, if any consents to the assignment of any Asset are not obtained prior to Closing, then with respect to each affected Asset, the affected Assets shall nevertheless be sold and conveyed to Buyer at the

Closing and Buyer shall pay for the affected Asset(s) at Closing in accordance with this Agreement as though such consent had been obtained (including the payment by Buyer to Sellers of the Allocated Value of such affected Asset(s)). In the case of licenses, certificates, approvals, authorizations, Leases, Contracts and other commitments included in the Assets (i) that cannot be transferred or assigned without the Hard Consent of Third Parties, which Hard Consent has not been obtained prior to the Closing (after giving effect to the Sale Order and the Bankruptcy Code), Sellers shall, at Buyer's sole expense and subject to any approval of the Bankruptcy Court that may be required, reasonably cooperate with Buyer in attempting to obtain such Hard Consent and, if any such Hard Consent is not obtained, Sellers shall, following the Closing, at Buyer's election and at Buyer's sole expense and subject to any approval of the Bankruptcy Court that may be required, cooperate with Buyer in all reasonable respects to provide to Buyer the benefits thereof in some other manner, or (ii) that are otherwise not transferable or assignable (after giving effect to the Sale Order and the Bankruptcy Code), Sellers shall, following the Closing, at Buyer's election and at Buyer's sole expense and subject to any approval of the Bankruptcy Court that may be required, reasonably cooperate with Buyer to provide to Buyer the benefits thereof in some other manner (including the exercise of the rights of Sellers thereunder).

2.8 Further Assurances.

The Parties agree to (a) furnish upon request to each other such further information, (b) execute, acknowledge and deliver to each other such other documents (including, if reasonably requested by Buyer, the obtaining by Sellers of further orders of the Bankruptcy Court) and (c) do such other acts and things, all as the other Party may reasonably request for the purpose of carrying out the intent of this Agreement and the Transaction Documents; *provided* that nothing in this Section 2.8 shall prohibit any Seller from ceasing operations or winding up its affairs following the Closing.

ARTICLE 3

PURCHASE PRICE

3.1 Purchase Price.

The purchase price for the purchase, sale, assignment and conveyance of Sellers' right, title and interest in, to and under the Assets shall consist of the following (collectively, the "Purchase Price"):

Sellers jointly and severally represent and warrant the following to Buyer:

5.1 Organization and Good Standing.

Each Seller is an entity duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization. Each Seller has the requisite corporate power and authority to own or lease and to operate and use its properties and to carry on its business as now conducted. Each Seller is duly qualified or licensed to do business and is in good standing in each jurisdiction where the character of its business or the nature of its properties makes such qualification or licensing necessary, except for such failures to be so qualified or licensed or in good standing as would not, individually or in the aggregate, have a Material Adverse Effect.

5.2 Authority; Validity; Governmental Authority Consents.

Sellers have, subject to entry of the Sale Order, the requisite power and authority necessary to enter into and perform their obligations under this Agreement and the other Transaction Documents to which Sellers are a party and to consummate the transactions contemplated hereby and thereby, and, subject to entry of the Sale Order, the execution, delivery and performance of this Agreement and such other Transaction Documents by Sellers and the consummation by Sellers of the transactions contemplated herein and therein have been duly and validly authorized by all requisite corporate action. except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

5.3 No Conflict.

When the consents and other actions described in Section 5.2, including entry of the Sale Order, have been obtained and taken, the execution and delivery of this Agreement and the other Transaction Documents and the consummation of the transactions provided for herein and therein will not result in the breach of any of the terms and provisions of, or constitute a default (with or without notice or lapse of time or both) under, or conflict with, or cause any acceleration of any obligation of any Seller under (a) any agreement, indenture, or other instrument to which any Seller is or the Assets are bound, (b) the certificate of incorporation, bylaws or other governing documents of any Seller, (c) any Order or (d) any Legal Requirement.

5.4 Material Contracts.

Except in connection with the Bankruptcy Case, no Seller has received a written notice of any unresolved breach under any Material Contract, Assigned Lease and Interest or Surface Right. Prior to the Effective Date, Sellers have made available to Buyer complete and accurate copies of all Material Contracts, and any and all amendments, schedules and/or exhibits thereto.

Each Seller has fully and timely paid on or prior to the Closing Date all material Taxes (whether or not shown on any Tax Return as owing or otherwise payable), and no material examination of any such Tax Return is currently in progress by any Governmental Authority;

(b) all withholding tax requirements imposed on or with respect to Sellers (or any of them) and the Assets have been satisfied in full in all respects;

5.14 Legal Proceedings.

Except for the Bankruptcy Case and any adversary proceedings or contested motions commenced in connection therewith, or as set forth on Disclosure Schedule 5.14, after giving effect to the Sale Order, there is no Proceeding or Order pending, outstanding or, to Sellers’ Knowledge, threatened that affects any of the Assets or that could reasonably be expected to give rise to any material Liability of Buyer or be materially adverse to the ownership or use by Buyer of the Assets after the Closing, as such Assets are presently owned and used. Except for the Bankruptcy Case and any adversary proceedings or contested motions commenced in connection therewith or as set forth on Disclosure Schedule 5.14, there is no Proceeding or Order pending, outstanding or, to Sellers’ Knowledge, threatened against any Seller that seeks to restrain or prohibit or otherwise challenge the consummation, legality or validity of the transactions contemplated hereby.

No Seller is a party to, or has ever been bound by, the terms of any collective bargaining agreement or any other Contract with any labor union or representative of

The execution, delivery and performance of this Agreement by Buyer and the consummation by Buyer of the transactions contemplated herein have been duly and validly authorized by all requisite limited liability company or corporate actions in respect thereof. This Agreement has been duly and validly executed and delivered by Buyer and each other Transaction Document to which Buyer is a party will be duly and validly executed and delivered by Buyer, as applicable, at the Closing. This Agreement and the other Transaction Documents to which Buyer is a party constitute the legal, valid and binding obligation of Buyer, enforceable against Buyer in accordance with their respective terms, except in each case as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or other similar Legal Requirements affecting the enforcement of creditors' rights generally and by general principles of equity, regardless of whether such principles are considered in a proceeding at law or in equity. Except for the Post-Closing Consents, Buyer is not or will not be required to give any notice to, make any filing with, or obtain any consent or approval from any Person in connection with the execution and delivery of this Agreement and the other Transaction Documents to which it is a party or the consummation or performance of any of the transactions contemplated hereby or thereby, except for such notices, filings, consents and approvals, the failure of which to provide, make or obtain, would not, individually or in the aggregate, affect Buyer's ability to perform its obligations under this Agreement or any other Transaction Documents or to consummate the transactions contemplated hereby or thereby.

6.3 No Conflict.

When the consents and other actions described in Section 6.2 have been obtained and taken, the execution and delivery of this Agreement and the other Transaction Documents and the consummation of the transactions provided for herein and therein will not result in the breach of any of the terms and provisions of, or constitute a default under, or conflict with, or cause any acceleration of any obligation of Buyer under (a) any agreement, indenture or other

instrument to which it is bound, (b) the certificate of formation or the limited liability company agreement of Buyer, as applicable, (c) any Order or (d) any Legal Requirement.

6.4 Litigation.

There are no Proceedings or Orders pending or, to the Knowledge of Buyer, threatened against Buyer, that seek to restrain or prohibit or otherwise challenge the consummation, legality or validity of the transactions contemplated hereby or that would, individually or in the aggregate, reasonably be expected to have a material adverse effect on Buyer's performance of any of its obligations and covenants hereunder that are to be performed prior to, at or after Closing.

6.5 Bankruptcy.

There are no bankruptcy, reorganization or arrangement proceedings pending, being contemplated by or, to the Knowledge of Buyer, threatened against Buyer.

If Buyer is the Successful Bidder or Next Best Bid at the Auction, Sellers shall not take any action which is intended to (or is reasonably likely to), or fail to take any action the intent (or the reasonably likely result) of which failure to act is to, result in the reversal, voiding, modification or staying of the Sale Order or this Agreement.

ADDITIONAL AGREEMENTS

8.1 Taxes.

(a) Any transfer, documentary, sales, use, stamp, registration and other such similar Taxes, and all conveyance fees, recording charges and other fees and charges (including any penalties and interest) incurred in connection with the consummation of the transactions contemplated by this Agreement ("Transfer Taxes") and not eliminated through the application of Section 1146(a) of the Bankruptcy Code or subject to an applicable state casual

sale exemption shall be borne by Sellers. Sellers and Buyer shall use commercially reasonable efforts and cooperate in good faith to exempt the sale and transfer of the Assets from any Transfer Taxes. Sellers will, at their own expense, file all necessary Tax Returns and other documentation with respect to all Transfer Taxes, and, if required by applicable law, the Parties will, and will cause their Affiliates to, join in the execution of any such Tax Returns and other documentation.

(b) Sellers shall retain responsibility for, and shall bear and pay, all (A) Taxes imposed on Sellers and (B) ad valorem, property, excise, severance, production or similar Taxes based upon operation or ownership of the Assets or the production of Hydrocarbons or the receipt of proceeds therefrom (collectively, the “Asset Taxes”) assessed with respect to the Assets for (i) any period ending on or prior to the Closing Date and (ii) the portion of any Straddle Period ending on or prior to the Closing Date. For purposes of allocation between the Parties of Asset Taxes assessed with respect to the Assets that are payable with respect to any tax periods beginning before and ending after the Closing Date (“Straddle Periods”), the portion of any such taxes that are attributable to the portion of the Straddle Period that ends on or prior to the Closing Date shall (1) in the case of such Asset Taxes that are attributable to the severance or production of Hydrocarbons, be allocated based on severance or production occurring on or before the Closing Date (which shall be Sellers’ responsibility) and after the Closing Date (which shall be Buyer’s responsibility); (2) in the case of such Asset Taxes that are based upon or related to sales or receipts or imposed on a transactional basis (other than such Asset Taxes described in clause (1)), be allocated based on revenues from sales occurring on or before the Closing Date (which shall be Sellers’ responsibility) and after the Closing Date (which shall be Buyer’s responsibility); and (3) in the case of other Asset Taxes, be allocated *pro rata* per day between the period on or prior to the Closing Date (which shall be Sellers’ responsibility) and the period after the Closing Date (which shall be Buyer’s responsibility). At the Closing, Asset Taxes with respect to each Asset for the applicable Straddle Period shall be prorated in accordance with the foregoing provisions based on the Asset Tax assessment for such Asset for such Straddle Period, if available, or if otherwise, based on the Asset Taxes paid with respect to such Asset during the preceding Tax period. With respect to any not yet delinquent Asset Taxes relating to a Tax year ending after the Closing Date, Buyer will assume responsibility for the actual payment of all such Asset Taxes to the applicable Governmental Authority subject to Buyer’s right to receive reimbursement for Sellers’ portion of such Asset Taxes (either as a reduction in the Purchase Price at Closing or out of the Sellers Retained Cash, at Buyer’s election).

(c) From and after Closing, Buyer and Sellers agree to furnish or cause to be furnished to each other, upon request, as promptly as practicable, such information and assistance relating to the Assets (including access to books and records and Tax Returns and related working papers dated before Closing) as is reasonably necessary for the filing of all Tax Returns, the making of any election relating to Taxes, the preparation for any audit by any taxing authority, the prosecution or defense of any claims, suit or proceeding relating to any Tax, and the claiming by Buyer of any federal, state or local business tax credits or incentives that Buyer may qualify for in any of the jurisdictions in which any of the Assets are located; *provided, however*, that neither Buyer nor Sellers shall be required to disclose the contents of their respective income Tax Returns to any Person. Any expenses incurred in furnishing such information or assistance pursuant to this Section 8.1(c) shall be borne by the Party requesting it.

(d) Sellers shall, prior to Closing, (i) cause each Asset or Tax Partnership that is scheduled with respect to Section 5.13(g) to either (x) have in effect a valid election under Section 754 of the Code for any taxable year that includes the Closing Date, or (y) obtain all necessary consents therefor; and (ii) provide evidence satisfactory to Buyer that the covenant set forth in clause (i) has been satisfied.

8.2 Allocation of Purchase Price.

Within 30 days after the Closing Date, Buyer shall deliver to Sellers an allocation of the Purchase Price (and all other capitalized costs) among the Assets, which shall be in accordance with Code §1060 and the regulations thereunder (and any similar provision of state, local, or non-U.S. law, as appropriate). The allocation to each Asset is referred to herein as the “Allocated Value” of such Asset, and the general allocation of value described in this Section 8.2 is referred to herein as the “Tax Allocation”. Sellers and Buyer agree to be bound by the Allocated Values set forth in the Tax Allocation for purposes of this Agreement. Sellers and Buyer each agree to report, and to cause their respective Affiliates to report, the federal, state, and local income and other Tax consequences of the transactions contemplated herein, and in particular to report the information required by Code §1060(b), and to jointly prepare Internal Revenue Service Form 8594 (Asset Acquisition Statement under Code §1060) as promptly as possible following the Closing Date and in a manner consistent with the Tax Allocation, as may be revised, to take into account subsequent adjustments to the Purchase Price, including any adjustments pursuant to the Agreement to determine the Purchase Price, and shall not take any position for U.S. federal, state and local income tax purposes that is inconsistent therewith upon examination of any Tax Return, in any refund claim, in any litigation, investigation, or otherwise, unless required to do so by any Legal Requirement after notice to and discussions with the other Party, or with such other Party’s prior consent; *provided, however*, that nothing contained herein shall prevent Buyer or Sellers from settling any proposed deficiency or adjustment by any Governmental Authority based upon or arising out of the Tax Allocation, and neither Buyer nor Sellers shall be required to litigate before any court any proposed deficiency or adjustment by any Governmental Authority challenging the Tax Allocation. Notwithstanding any other provision of this Agreement, the terms and provisions of this Section 8.2 shall survive the Closing without limitation.

8.3 Assigned Contracts: Adequate Assurance and Performance.

(a) With respect to each Assigned Contract, Buyer shall provide adequate assurance as required under the Bankruptcy Code of the future performance by Buyer of each such Assigned Contract.

(b) From and after Closing, Buyer shall pay, perform or satisfy the Assumed Liabilities from time to time and as such Assumed Liabilities become due and payable or are required to be performed or satisfied in accordance with their respective terms.

(c) Without limiting the provisions of Section 8.3(a), Buyer acknowledges that Sellers have no duty to maintain any bonds, letters of credit, guarantees, cash deposits and insurance to secure performance or payment under any Assigned Contracts (collectively, “Seller Credit Obligations”) after the Closing, and Buyer agrees to reasonably cooperate with Sellers in Sellers’ efforts to secure the release of any Seller Credit Obligations posted by Sellers. On or before the Closing, Buyer shall use commercially reasonable efforts to obtain, or cause to be obtained in the name of Buyer, replacements for the Seller Credit

Obligations set forth on Disclosure Schedule 8.3(c). If any Seller Credit Obligation remains outstanding as of the Closing Date, Buyer shall indemnify each member of the Seller Group and hold them harmless against any Liabilities that the Seller Group may incur under any such Seller Credit Obligations set forth on Disclosure Schedule 8.3(c) attributable to periods from and after the Closing Date.

8.4 Employee Matters.

(a) Transferred Employees. Buyer or its Affiliate shall have the right (but not the obligation) to make offers to employ (or otherwise engage as a contractor) each of the Applicable Employees, with such offers (i) to be on terms that do not provide for a material diminution in such Applicable Employee's annualized base salary or regular hourly rate of pay as in effect as of the Effective Date and (ii) with respect to the Applicable Employees who receive employment offers, to provide substantially similar benefits that Buyer or its Affiliate provides to similarly situated employees, including enrollment in applicable employee benefit plans. At reasonable times prior to the Closing (or, if the Parties enter into the Transition Services Agreement, prior to the end of the Transition Services Period), Sellers shall provide Buyer or its Affiliate access to the Applicable Employees, and all documentation regarding the Applicable Employees reasonably requested by Buyer or its Affiliate in order to permit Buyer or its Affiliate to evaluate the Applicable Employees for potential employment or engagement and to discuss potential terms of employment or engagement. No later than five (5) Business Days prior to the Closing Date (or, if later, the last day of the Transition Services Period), Buyer shall notify Sellers and each Applicable Employee regarding any such employment offers (or contractor engagements), which shall be conditioned upon the occurrence of the Closing and effective as of the later of the Closing Date or, if the Parties enter into the Transition Services Agreement, the last day of the Transition Services Period (such later date, the "Transition Date"); *provided, however*, that if an Applicable Employee is on leave as of the Transition Date, such offer of employment or engagement shall be effective as of the date that such Applicable Employee is able to return to work, so long as such date is within ninety (90) days following the Transition Date or such later return date as may be required by applicable Legal Requirements. Those Applicable Employees who accept Buyer's or its Affiliate's offer of employment (or contractor engagement) made pursuant to this Section 8.4(a) and commence employment or engagement with Buyer or its Affiliate on or after the Transition Date are referred to herein as "Transferred Employees." The date on or after the Transition Date that a Transferred Employee assumes employment or engagement with Buyer or its Affiliate is referred to as his or her "Hire Date". Buyer's or its Affiliate's decisions to offer or not offer employment or engagement to any Applicable Employee shall be in Buyer's or its Affiliate's sole discretion, but in accordance with all applicable Legal Requirements. Sellers shall terminate the employment of all Transferred Employees as of his or her Hire Date and waive and release any confidentiality, non-competition, non-disclosure and similar agreements between Sellers (or any of them) and each Transferred Employee that would restrict or encumber such Transferred Employee's ability to perform his or her duties as an employee (or contractor) of Buyer or its Affiliate. Sellers shall take no act (or omit to take any act) that has the intent or effect of causing an Applicable Employee from accepting an offer of employment or engagement with Buyer or its Affiliate as contemplated by this Section 8.4(a).

(b) WARN Act. Sellers shall have full responsibility for all WARN Act Liabilities (i) with respect to all Applicable Employees that do not become employed by Buyer

or its Affiliate, and (ii) with respect to the Transferred Employees, relating to the periods prior to or on their Hire Date. Buyer shall have full responsibility for all WARN Act Liabilities with respect to the Transferred Employees relating to periods after their Hire Date.

(c) On or before his or her Hire Date, Sellers or one of their Affiliates shall take any necessary action to fully vest as of such date each Transferred Employee's account balances and other benefits under all Seller Benefit Plans, if any, that (i) are employee pension benefit plans (as such term is defined in Section 3(2) of ERISA), (ii) provide nonqualified deferred compensation benefits or (iii) provide equity-based awards.

(d) The provisions of this Section 8.4 are solely for the benefit of the Parties and nothing in this Section 8.4, express or implied, shall confer upon any Applicable Employee, or legal representative or beneficiary thereof, any rights or remedies, including any right to employment or engagement or continued employment or engagement for any specified period, or compensation or benefits of any nature or kind whatsoever under this Agreement. Nothing in this Section 8.4, express or implied, shall be (i) deemed an amendment of any employee benefit plan providing benefits to any Applicable Employee, or (ii) construed to prevent Buyer or any of its Affiliates from terminating or modifying to any extent or in any respect any employee benefit plan that Buyer or any of its Affiliates may establish or maintain.

8.5 Post-Closing Books and Records and Personnel.

For five (5) years after the Closing Date (or such longer period as may be required by any Governmental Authority or ongoing claim), (a) Buyer shall not dispose of or destroy any of the Records received by Buyer as Assets and (b) Buyer shall allow Sellers (including, for clarity, any trust established under a Chapter 11 plan of Sellers or any other successors of Sellers) and any of its directors, officers, employees, counsel, representatives, accountants and auditors reasonable access during normal business hours, at Sellers' sole expense and upon reasonable advance notice, to any Records included in the Assets for purposes relating to the Bankruptcy Case, the wind-down of the operations of Sellers or any such trusts or successors and Sellers (including any such trust or successors) and such directors, officers, employees, counsel, representatives, accountants and auditors shall have the right to make copies of any such Records for such purposes. Until the closing of the Bankruptcy Case or the liquidation and winding up of Sellers' estate, Sellers may keep a copy of the Records and, at Buyer's sole expense, shall make all records, and Sellers' personnel available to Buyer as may be reasonably required by Buyer in connection with, among other things, any insurance claims by, Proceedings, Actions or Tax audits against, or governmental investigations of, Buyer or any of its Affiliates or in order to enable Buyer to comply with its obligations under this Agreement and each other Transaction Document. In the event any Party desires to destroy any such Records prior to the time during which they must be maintained pursuant to this Section 8.5, such Party shall first give ninety (90) days prior written notice to the other Party and such other Party shall have the right at their option and expense, upon prior written notice given within such ninety (90) day period to the Party desiring to destroy such Records or records, to take possession of the Records within one hundred and eighty (180) days after the date of such notice, or such shorter period as the liquidation and winding up of Seller's estate shall permit. Except as required by Legal Requirements or to the extent required to enforce its rights with respect to the Excluded Liabilities, from and after the Closing, each Seller shall and shall cause its Affiliates and its and their respective Representatives to keep confidential and not use the Records and any proprietary or non-proprietary engineering, geological, geophysical and seismic data, files and records that

would have been included in the Records but for the failure to obtain a material Third Party consent.

8.6 Disclaimers.

(a) General Disclaimer. To the extent required by applicable Legal Requirements to be operative, the disclaimers of certain warranties contained in this Section 8.6 are “conspicuous disclaimers” for purposes of any applicable Legal Requirements.

(b) **EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES OF SELLERS EXPRESSLY SET FORTH IN THIS AGREEMENT AND THE SPECIAL WARRANTIES OF TITLE SET FORTH IN THE ASSIGNMENTS, (I) SELLERS MAKE NO REPRESENTATIONS OR WARRANTIES, EXPRESS, STATUTORY OR IMPLIED OR OTHERWISE WITH RESPECT TO, OR IN RELATION TO, ANY OF THE ASSETS AND TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT AND BUYER EXPRESSLY WAIVES AND ACKNOWLEDGES THAT SELLERS DO NOT MAKE ANY SUCH WARRANTY OR REPRESENTATION, (II) SELLERS EXPRESSLY DISCLAIM ALL LIABILITY AND RESPONSIBILITY FOR ANY REPRESENTATION, WARRANTY, STATEMENT OR INFORMATION MADE OR COMMUNICATED (ORALLY, IN WRITING OR OTHERWISE) TO BUYER OR ANY OF ITS AFFILIATES, EMPLOYEES, AGENTS, CONSULTANTS OR REPRESENTATIVES (INCLUDING, WITHOUT LIMITATION, ANY OPINION, INFORMATION, PROJECTION OR ADVICE THAT MAY HAVE BEEN PROVIDED TO BUYER BY ANY OFFICER, DIRECTOR, EMPLOYEE, AGENT, CONSULTANT, REPRESENTATIVE OR ADVISOR OF SELLER OR ANY OF ITS AFFILIATES) AND (III) ALL PROPERTIES INCLUDED IN THE ASSETS SHALL BE CONVEYED BY SELLERS AND ACCEPTED BY BUYER PRECISELY AND ONLY AS IS, WHERE IS, AND WITH ALL DEFECTS AND FAULTS WITHOUT RECOURSE AND WITHOUT WARRANTY (INCLUDING WITHOUT LIMITATION ANY WARRANTY OF TITLE).**

(c) **EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES OF SELLERS EXPRESSLY SET FORTH IN THIS AGREEMENT AND THE SPECIAL WARRANTIES OF TITLE SET FORTH IN THE ASSIGNMENTS, BUYER AGREES THAT SELLERS ARE CONVEYING THE ASSETS WITHOUT REPRESENTATION OR WARRANTY, EITHER EXPRESS OR IMPLIED AT COMMON LAW, BY STATUTE, OR OTHERWISE (ALL OF WHICH SELLERS HEREBY DISCLAIM), RELATING TO (I) TITLE, (II) THE OPERATING CONDITION OF THE WELLS AND THE EQUIPMENT, (III) THE MERCHANTABILITY, DESIGN, OR QUALITY OF THE WELLS AND THE EQUIPMENT, (IV) THE FITNESS OF THE WELLS AND THE EQUIPMENT FOR ANY PARTICULAR PURPOSE, (V) THE ABSENCE OF PATENT, LATENT OR REDHIBITORY VICES OR DEFECTS (INCLUDING THOSE CONTEMPLATED IN LOUISIANA CIVIL CODE ARTICLES 2475 AND 2520), (VI) THE ENVIRONMENTAL OR PHYSICAL CONDITION OF THE ASSETS (SURFACE AND SUBSURFACE), (VII) THE QUANTITY, RECOVERABILITY, OR VALUE OF HYDROCARBON RESERVES, (VIII) THE CONTINUING EXISTENCE OR MAINTENANCE OF ANY LEASE, OR ANY OTHER ASSET, (IX) COMPLIANCE WITH LEGAL REQUIREMENTS, (X) THE CONTENTS, CHARACTER OR NATURE OF ANY INFORMATION MEMORANDUM, OR ANY REPORT OF ANY PETROLEUM ENGINEERING CONSULTANT, OR ANY ENGINEERING, GEOLOGICAL OR SEISMIC DATA OR INTERPRETATION, RELATING TO THE ASSETS, (XI) GEOGRAPHIC, GEOLOGIC OR GEOPHYSICAL CHARACTERISTICS, OR THE EXISTENCE, QUANTITY, QUALITY OR RECOVERABILITY OF HYDROCARBONS IN OR FROM THE ASSETS, (XII) ANY ESTIMATES OF THE VALUE OF THE ASSETS OR FUTURE REVENUES GENERATED BY THE ASSETS, (XIII) ABILITY TO PRODUCE, INCLUDING PRODUCTION OR DECLINE RATES, (XIV) COSTS, EXPENSES, REVENUES, RECEIPTS, PRICES, ACCOUNTS RECEIVABLE OR ACCOUNTS PAYABLE, (XV) CONTRACTUAL, ECONOMIC, FINANCIAL INFORMATION AND/OR**

OTHER DATA AND ANY RELATED MAPS, ESTIMATIONS OR PROJECTIONS MADE IN SALE PRESENTATIONS, MARKETING MATERIALS, (XVI) CONTINUED FINANCIAL VIABILITY, INCLUDING PRESENT OR FUTURE VALUE OR ANTICIPATED INCOME OR PROFITS, (XVII) FEDERAL, STATE, OR LOCAL INCOME OR OTHER TAX CONSEQUENCES, (XVIII) SAFETY, (XIX) STATE OF REPAIR, (XX) THE CONTENT, CHARACTER OR NATURE OF ANY INFORMATION MEMORANDUM, REPORTS, BROCHURES, CHARTS OR STATEMENTS PREPARED BY THIRD PARTIES, (XXI) ANY OTHER MATERIALS OR INFORMATION THAT MAY HAVE BEEN MADE AVAILABLE OR COMMUNICATED TO BUYER OR ITS AFFILIATES, OR ITS OR THEIR EMPLOYEES, AGENTS, CONSULTANTS, REPRESENTATIVES OR ADVISORS IN CONNECTION WITH THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR ANY DISCUSSION OR PRESENTATION RELATING THERETO, (XXII) ANY IMPLIED OR EXPRESS WARRANTY OF FREEDOM FROM PATENT OR TRADEMARK INFRINGEMENT OR (XXIII) ANY OTHER MATTER WHATSOEVER, IT BEING EXPRESSLY UNDERSTOOD AND AGREED BY THE PARTIES THAT BUYER SHALL BE DEEMED TO BE OBTAINING THE ASSETS IN THEIR PRESENT STATUS, CONDITION AND STATE OF REPAIR, "AS IS" AND "WHERE IS" WITH ALL FAULTS AND THAT BUYER HAS MADE OR CAUSED TO BE MADE SUCH INSPECTIONS AS BUYER DEEMS APPROPRIATE AND BUYER IRREVOCABLY WAIVES ANY AND ALL CLAIMS THEY MAY HAVE AGAINST SELLERS ASSOCIATED WITH SAME.

(d) WITHOUT LIMITING THE REPRESENTATIONS AND WARRANTIES OF SELLERS SET FORTH IN THIS AGREEMENT OR THE SPECIAL WARRANTIES OF TITLE SET FORTH IN THE ASSIGNMENTS, (I) SELLERS EXPRESSLY DISCLAIM AND BUYER EXPRESSLY WAIVES ANY REPRESENTATION OR WARRANTY, EXPRESS, STATUTORY, IMPLIED OR OTHERWISE, AS TO EVICTION (UNDER ARTICLE 2500 ET SEQ. OF THE LOUISIANA CIVIL CODE, AS AMENDED OR OTHERWISE), AND (II) BUYER EXPRESSLY WAIVES ANY CLAIM UNDER ARTICLES 2500 THROUGH 2548 OF THE LOUISIANA CIVIL CODE AS AMENDED, OR ANY OTHER PROVISIONS OR THEORIES OF LAW, FOR A RETURN, REDUCTION OR ADJUSTMENT IN THE PURCHASE PRICE BASED UPON REDHIBITION OR QUANTI MINORIS OR ACTION OF EVICTION ON ACCOUNT OF CONDITION OR MERCHANTABILITY OF THE ASSETS OR ASSIGNED PROPERTIES OR OTHERWISE. SUBJECT TO THE RIGHTS OF BUYER THAT ARE EXPRESSLY CONTEMPLATED IN THIS AGREEMENT, THESE WAIVERS OF WARRANTY EXTEND TO EVERY DEFECT, EVEN IF THE DEFECT RENDERS THE ASSETS ABSOLUTELY USELESS OR SO INCONVENIENT OR IMPERFECT THAT BUYER WOULD NOT HAVE PURCHASED THE ASSIGNED PROPERTIES IF BUYER HAD KNOWN OF THE DEFECT. BUYER AND SELLERS ACKNOWLEDGE AND AGREE THAT THE PURCHASE PRICE WAS NEGOTIATED AND AGREED UPON AFTER CONSIDERATION OF THE FOREGOING. BUYER ACKNOWLEDGES THAT THESE WAIVERS HAVE BEEN BROUGHT TO THE ATTENTION OF BUYER AND EXPLAINED IN DETAIL BY ITS ATTORNEY AND THAT BUYER HAS VOLUNTARILY AND KNOWINGLY CONSENTED TO THESE WAIVERS OF WARRANTY.

(e) EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES OF SELLERS EXPRESSLY SET FORTH IN THIS AGREEMENT AND THE SPECIAL WARRANTIES OF TITLE SET FORTH IN THE ASSIGNMENTS, SELLERS HAVE NOT AND WILL NOT MAKE ANY REPRESENTATION OR WARRANTY REGARDING ANY MATTER OR CIRCUMSTANCE RELATING TO ENVIRONMENTAL LAW, ASSUMED LIABILITIES RELATING TO ENVIRONMENTAL LAW, THE RELEASE OF MATERIALS INTO THE ENVIRONMENT OR THE PROTECTION OF HUMAN HEALTH, SAFETY, NATURAL RESOURCES OR THE ENVIRONMENT, OR ANY OTHER ENVIRONMENTAL CONDITION OF THE ASSETS, AND NOTHING IN THIS AGREEMENT OR OTHERWISE WILL BE CONSTRUED AS SUCH A REPRESENTATION OR WARRANTY, AND BUYER IS DEEMED TO BE

TAKING THE ASSETS “AS IS” AND “WHERE IS” FOR PURPOSES OF THEIR ENVIRONMENTAL CONDITION.

(f) THE PROVISIONS OF ANY ANTI-INDEMNITY STATUTE RELATING TO OILFIELD SERVICES AND ASSOCIATED ACTIVITIES ARE NOT APPLICABLE TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED IN THIS AGREEMENT.

(g) NOTHING IN THIS SECTION 8.6 OR OTHERWISE SHALL WAIVE OR LIMIT BUYER’S RIGHTS IN THE EVENT OF ACTUAL FRAUD.

8.7 Casualty.

(a) If, after the Effective Date and prior to the Closing, a part of the Assets suffers a Casualty Loss or if a part of the Assets is taken in condemnation or under the right of eminent domain or if Proceedings for such purposes are pending or threatened, Sellers shall promptly give Buyer written notice of such occurrence, including reasonable particulars with respect thereto, and this Agreement shall remain in full force and effect notwithstanding any such Casualty Loss.

(b) With regard to a Casualty Loss or condemnation occurring after the Effective Date exceeding Fifty Thousand Dollars (\$50,000), Buyer may elect to exclude the affected Assets from this Agreement.

(c) Except to the extent that the affected Assets are excluded pursuant to Section 8.7(b), no insurance or condemnation proceeds shall be committed or applied by Sellers to repair, restore or replace a lost, damaged, destroyed or taken portion of the Assets, individually or when combined with all other lost, damaged, destroyed or taken portions of the Assets, if the cost to repair, restore or replace a lost, damaged, destroyed or taken portion of the Assets is projected to exceed Fifty Thousand Dollars (\$50,000). To the extent such proceeds are not committed or applied by Sellers prior to the Closing Date in accordance with this Section 8.7(c), Sellers shall at the Closing pay to Buyer all sums paid to Sellers by reason of such loss, damage, destruction or taking, less any reasonable Third Party costs and expenses incurred by Sellers in collecting such proceeds. In addition and to the extent such proceeds have not been committed or applied by Sellers in accordance with this Section 8.7(c), in such repair, restoration or replacement, Sellers shall transfer to Buyer, at the Closing, without recourse against Sellers, all of the right, title and interest of Sellers in and to any unpaid insurance or condemnation proceeds and other rights against Third Parties arising out of such loss, damage, destruction or taking, less any reasonable Third Party costs and expenses incurred by Sellers in collecting such proceeds. Any such funds that have been committed by Sellers for repair, restoration or replacement as aforesaid shall be paid by Sellers for such purposes or, at Sellers’ option, delivered to Buyer upon Sellers’ receipt from Buyer of adequate assurance and indemnity that Sellers shall incur no liability or expense as a result of such commitment.

(d) Except to the extent that the Assets affected by a Casualty Loss are excluded pursuant to Section 8.7(b), (i) at the Closing, the Assets affected by a Casualty Loss or condemnation shall be included in the Closing and Buyer shall pay the full Allocated Value therefor, subject to any applicable adjustments under this Agreement, and (ii) Buyer’s recourse with respect to a condemnation or Casualty Loss shall be limited to the proceeds of Sellers’ applicable insurance coverage actually recovered by Sellers in respect thereof or other sums paid to Sellers by Third Parties (or an assignment of claims related thereto), which proceeds or other

sums shall be payable to Buyer upon the Closing of the transaction contemplated hereby. After Closing, Sellers shall have no other liability or responsibility to Buyer with respect to a condemnation or Casualty Loss, **EVEN IF SUCH CASUALTY LOSS SHALL HAVE RESULTED FROM OR SHALL HAVE ARISEN OUT OF THE SOLE OR CONCURRENT NEGLIGENCE, FAULT, VIOLATION OF A LEGAL REQUIREMENT, OR WILLFUL MISCONDUCT OF SELLERS OR ANY MEMBER OF SELLER GROUP.**

8.8 Successor Operator.

Sellers shall use commercially reasonable efforts to support Buyer's efforts to be appointed or to have a designee appointed as the successor operator of those Properties that any Seller currently operates. Notwithstanding the foregoing, Sellers makes no representations or warranties to Buyer as to the transferability of operatorship of any Properties which a Seller currently operates. Rights and obligations associated with operatorship of the Properties are governed by operating agreements or similar agreements and, to the extent such agreements are Assigned Contracts, will be determined in accordance with the terms of such agreements.

8.9 No Successor Liability.

The Parties intend that, except where expressly prohibited under applicable Legal Requirement, upon the Closing, Buyer shall not be deemed to: (i) be the successor of Sellers, (ii) have, de facto, or otherwise, merged with or into Sellers, (iii) be a mere continuation or substantial continuation of Sellers or the enterprise(s) of Sellers, or (iv) be liable for any acts or omissions of Sellers in the conduct of the business of Sellers or arising under or related to the Assets other than as set forth in this Agreement. Without limiting the generality of the foregoing, and except as otherwise provided in this Agreement, the Parties intend that Buyer shall not be liable for any Encumbrances (other than Assumed Liabilities) against Sellers or any of their predecessors or Affiliates, and Buyer shall have no successor or vicarious liability of any kind or character whether known or unknown as of the Closing Date, whether now existing or hereafter arising, or whether fixed or contingent, with respect to the business of Sellers, the Assets or any Liabilities of Sellers arising prior to the Closing Date. The Parties agree that the provisions substantially in the form of this Section 8.9 shall be reflected in the Sale Order.

8.10 Preferential Purchase Rights.

(a) Unless notice has been previously provided by Sellers that is sufficient, in all respects, with the Bankruptcy Code requirements, Sellers shall, within three (3) Business Days after the Bid Procedures Order is entered by the Bankruptcy Court, deliver to each holder of a Preferential Purchase Right a notice reasonably satisfactory to Buyer (i) containing a copy of the Bid Procedures Order, the motion seeking entry of the Bid Procedures Order, this Agreement, the proposed Sale Order and the sale notice, and (ii) informing such holder that it must submit a notice to Sellers by the Bid Deadline of such holder's intent to exercise or not exercise its Preferential Purchase Right at the Auction.

(b) All Assets that are subject to Preferential Purchase Rights shall be transferred or assigned to Buyer at the Closing, and Buyer shall take title to such Assets subject to such Preferential Purchase Rights. In the event any holder of a valid Preferential Purchase Right thereafter lawfully and timely exercises its Preferential Purchase Right, Buyer shall assign such affected Assets to the holder of such Preferential Purchase Right, and such holder shall pay Buyer all proceeds generated from the exercise of such Preferential Purchase Right.

8.11 Cooperation.

(a) From and after the Effective Date, the Parties shall cooperate with each other to cause the Assets to be orderly transitioned from Sellers to Buyer and to minimize disruption resulting from the transactions contemplated hereby as reasonably requested by any Party, including facilitating the transition of key customer, supplier and other business relationships of Sellers and the transition of field and back office operations relating the Assets.

(b) From the Effective Date through and until the Closing Date, Sellers shall, and shall cause their Affiliates and their respective officers and employees to, use commercially reasonable efforts to assist Buyer, its Affiliates and their respective Representatives in obtaining any financing desired by Buyer to fund at or following the Closing the acquisition and development of the Assets, including by using commercially reasonable efforts to take the following actions: (i) make each Seller's respective officers, employees and Representatives reasonably available, upon prior written notice, for meetings and due diligence sessions with prospective financing sources; (ii) reasonably cooperate with prospective lenders, placement agents, initial purchasers and their respective advisors in performing their due diligence; and (iii) reasonably assist Buyer in procuring credit agreements, notes, mortgages, pledge and security documents, landlord waivers, estoppels, consents, and approvals and other definitive financing documents or other requested certificates or documents (including solvency certificates to the extent required). Buyer shall reimburse Sellers for all reasonable third-party fees, costs and expenses which Sellers would not have incurred but for Sellers' obligations under this Section 8.11(b). Notwithstanding the foregoing, nothing herein shall expand any Party's representations, warranties, covenants or agreements set forth in this Agreement or give Buyer, its Affiliates or any Third Party any rights to which it is not entitled hereunder. Buyer shall release Sellers, their Affiliates, their Representatives and the officers and employees of each of the foregoing from any and all Liabilities relating to, arising out of or connected with any cooperation provided in accordance with this Section 8.11(b).

(c) From the Closing Date until the earlier of (i) twelve (12) months after the Closing Date and (ii) the date of the filing of Sellers' final Tax Returns, with respect to the Bankruptcy Case, Buyer will use commercially reasonable efforts to cooperate with and provide assistance to the Creditor Trustee in the administration of the Creditor Trust, subject to a monthly hourly cap of ten (10) hours per month (less any time spent assisting the N-D Asset Wind-Down Trust), with any excess time paid by the Creditor Trustee. Such assistance shall include designating an employee of Buyer as the primary source of contact for the Creditor Trust, providing access to the Sellers' Records (to the extent in the possession of Buyer), providing such other information in possession of Buyer related to the Excluded Assets necessary for the administration of the Creditor Trust, provided, neither Buyer nor its employees shall make (or be deemed to have made) any representations, warranties or assurances, nor have any Liability, in providing information or documents and shall not be required to incur any Liability (including but not limited to, making any out-of-pocket expenses) in providing such assistance.

8.12 Release of Encumbrances.

Prior to Closing, Sellers shall obtain releases of any Encumbrance that secures any claims that any Person may have for goods and/or services secured by an Encumbrance (other than a Permitted Encumbrance) on the Assets with respect to which such goods and/or

services were furnished or rendered, including any claims for goods and/or services rendered in connection with any Properties.

8.13 Payments Received.

Sellers agree that, after the Closing, Sellers will hold and will promptly transfer and deliver to Buyer, from time to time as and when received by them, any cash, checks with appropriate endorsements (using their commercially reasonable efforts not to convert such checks into cash) or other property that they may receive on or after the Closing which properly belongs to Buyer pursuant to the terms of this Agreement and will account to Buyer for all such receipts. Sellers further acknowledge and agree that, until remitted to Buyer, such amounts shall be deemed held in trust by the receiving Seller and shall not be property of such Seller's estate or subject to any Encumbrances whatsoever.

8.14 No Affiliate Interests.

(a) If, prior to Closing, any Seller or Buyer obtains Knowledge that any Seller, or any Affiliate of a Seller, holds or owns any right, title or interest in and to any right, interest, asset or property that if held or owned by any Seller as of the Effective Date would have constituted an Asset (an "Affiliate Interest"), then such Party shall promptly notify the other of the same and in writing and, unless otherwise directed by Buyer in writing, Sellers shall, and shall cause such Affiliate to, convey such Affiliate Interest to Sellers prior to the Closing. Thereafter, such Affiliate Interest shall be an Asset for all purposes under this Agreement and the Sale Order.

(b) If, after the Closing, any Seller or Buyer obtains Knowledge that any Seller, or any Affiliate of any Seller, holds or owns any Affiliate Interest, then such Party shall promptly notify the other of the same in writing and, unless otherwise directed by Buyer in writing, Sellers shall cause such Affiliate to convey such Affiliate Interest to Buyer for no additional consideration. Thereafter, such Affiliate Interest shall be an Asset for purposes of this Agreement and the Sale Order.

8.15 Waiver of Trade Practices Acts.

(a) It is the intention of the Parties that Buyer's rights and remedies with respect to this Agreement and the transactions contemplated herein and with respect to all acts or practices of Sellers, past, present or future, in connection with this Agreement and the transactions contemplated herein be governed by legal principles other than the DTPA, the LUTPCPL or similar Laws from other jurisdictions ("Other Consumer Laws"). As such, Buyer waives the applicability of the DTPA, the LUTPCPL and Other Consumer Laws to this Agreement and the transactions contemplated herein and any and all duties, rights or remedies that might be imposed by DTPA, the LUTPCPL and/or Other Consumer Laws, whether such duties, rights and remedies are applied directly by DTPA, the LUTPCPL and Other Consumer Laws themselves or indirectly in connection with other statutes; provided, however, Buyer does not waive § 17.555 of the DTPA. Buyer acknowledges, represents and warrants that it is purchasing the goods and/or services covered by this Agreement for commercial or business use; that it is represented by legal counsel in connection with this Agreement; that it has assets of \$25,000,000 or more, or is owned or controlled by an entity with assets of \$25,000,000 or more, according to its most recent financial statement prepared in accordance with generally accepted accounting principles; that it has knowledge and experience in financial and business matters that

enable it to evaluate the merits and risks of the transactions contemplated herein; and that it is not in a significantly disparate bargaining position with Seller. In furtherance of the foregoing,

WAIVER OF CONSUMER RIGHTS

BUYER WAIVES ITS RIGHTS UNDER THE DECEPTIVE TRADE PRACTICES – CONSUMER PROTECTION ACT, SECTION 17.41 ET SEQ. (OTHER THAN SECTION 17.555 THEREOF), TEXAS BUSINESS & COMMERCE CODE, AND THE UNFAIR TRADE PRACTICES AND CONSUMER PROTECTION LAW, LA. R.S. 51:1401 ET SEQ., LAWS THAT GIVE CONSUMERS SPECIAL RIGHTS AND PROTECTIONS. AFTER CONSULTATION WITH AN ATTORNEY OF BUYER'S OWN'S SELECTION, BUYER VOLUNTARILY CONSENTS TO THIS WAIVER.

(b) Buyer expressly recognizes that the price for which Sellers have agreed to perform its obligations under this Agreement has been predicated upon the inapplicability of the DTPA, the LUTPCPL and Other Consumer Laws and this waiver of DTPA, the LUTPCPL and Other Consumer Laws. Buyer further recognizes that Sellers, in determining to proceed with the entering into of this Agreement, have expressly relied on this waiver and the inapplicability of DTPA, the LUTPCPL and Other Consumer Laws.

ARTICLE 9

CONDITIONS PRECEDENT TO OBLIGATIONS OF BUYER TO CLOSE

The obligations of Buyer to consummate the transactions contemplated by this Agreement are subject to the satisfaction or waiver in writing by Buyer, at or prior to the Closing, of each of the following conditions:

9.1 Accuracy of Representations.

(a) Neither the failure nor any delay by any party hereto in exercising any right, power or privilege under this Agreement or the documents referred to in this Agreement shall operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege shall preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. To the maximum extent permitted by applicable Legal Requirements, (i) no waiver that may be given by a party hereto shall be applicable except in the specific instance for which it is given, and (ii) no notice to or demand on one party hereto shall be deemed to be a waiver of any right of the party hereto that gives such notice or demand to take further action without notice or demand.

(b) NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, NO PARTY HERETO SHALL BE LIABLE TO ANY OTHER PARTY HERETO FOR SPECIAL, INDIRECT, EXEMPLARY, CONSEQUENTIAL (INCLUDING LOST PROFITS) OR PUNITIVE DAMAGES ARISING OUT OF, ASSOCIATED WITH, OR RELATING TO THIS AGREEMENT AND THE PARTIES HERETO HEREBY WAIVE ALL CLAIMS FOR ANY SUCH DAMAGES; *PROVIDED* THAT NOTHING CONTAINED HEREIN SHALL WAIVE BUYER'S OR MSEC'S RIGHTS TO SEEK OR RECOVER SUCH DAMAGES AFTER THE CLOSING DATE FROM SELLERS TO THE EXTENT SUCH DAMAGES ARE ACTUALLY PAID TO AN UNAFFILIATED THIRD PARTY, IN WHICH CASE SUCH DAMAGES SHALL BE RECOVERABLE WITHOUT GIVING EFFECT TO THIS SECTION 14.2.

14.3 Entire Agreement; Amendment.

Other than the Restructuring Support Agreement and the Settlement Term Sheet, this Agreement (including the Schedules, Disclosure Schedules and the Exhibits) and the other Transaction Documents supersede all prior agreements between Buyer, MSEC, and Sellers with respect to its subject matter and constitute a complete and exclusive statement of the terms of the agreements between Buyer, MSEC, and Sellers with respect to their subject matter. This Agreement, including all exhibits hereto, may not be amended, modified or supplemented, or the terms hereof waived, except by a written agreement executed by all of the parties hereto.

14.4 Assignment.

This Agreement, and the rights, interests and obligations hereunder, shall not be assigned by any party hereto by operation of law or otherwise without the express written consent of the other parties hereto (which consent may be granted or withheld in the sole discretion of such other parties hereto). Notwithstanding the foregoing, (a) subject to the prior written consent of MSEC (such consent not to be unreasonably conditioned, withheld or delayed), Buyer shall have the right to assign its rights to receive all or any part of the Assets and its obligations to assume all or any part of the Assumed Liabilities, in each case to one or more Affiliates of Buyer under common Control by Buyer Parent without the consent of any Seller (but with written notice thereto), and, upon any such assignment, Buyer shall be released from all liability hereunder and the assignee(s) shall be deemed to be the "Buyer" under this Agreement and each of the other Transaction Documents (to the extent of such assignment); *provided*, that such assignee(s) first agrees in writing to be bound by the terms of this Agreement and the other Transaction Documents (to the extent it has been assigned rights and/or obligations hereunder or under such Transaction Document(s)), and (b) subject to the prior written consent of Buyer (such

consent not to be unreasonably conditioned, withheld or delayed) and written notice to Sellers, MSEC shall have the right to assign or delegate any or all of its rights or obligations hereunder to one or more of its Affiliates. Any assignment in violation of this Section 14.4 shall be deemed void *ab initio*.

14.5 Severability.

The provisions of this Agreement shall be deemed severable, and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability.

14.6 Expenses.

Sellers shall pay all reasonable fees, costs, and expenses (including reasonable attorneys' fees) incurred by Buyer in connection with the negotiation, preparation, and drafting of this Agreement, the other Transaction Documents and any other documents in connection herewith or therewith (regardless of whether the Closing occurs). Except as provided above or in the Restructuring Support Agreement, each party hereto shall bear its own respective expenses (including all compensation and expenses of counsel, financial advisors, consultants, actuaries and independent accountants) incurred in connection with this Agreement and the transactions contemplated hereby.

14.7 Time of the Essence.

Time shall be of the essence with respect to all time periods and notice periods set forth in this Agreement.

14.8 Specific Performance.

The parties hereto agree that irreparable damage would occur if any provision of this Agreement is not performed in accordance with the terms hereof, including if any of the parties hereto fails to take any action required of it hereunder to consummate the transactions contemplated by this Agreement, and, accordingly, (a) prior to the Closing, each party hereto shall be entitled to an injunction or injunctions without proof of damages or posting a bond or other security to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof, including specific performance of such covenants, promises or agreements or an order enjoining such party hereto from any threatened, or from the continuation of any actual, breach of the covenants, promises or agreements contained in this Agreement, and (b) from and after the Closing, any party hereto shall be entitled to an injunction or injunctions without proof of damages or posting a bond or other security to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof, in addition to any other remedy to which they are entitled at law or in equity. Unless otherwise expressly stated in this Agreement (including Section 12.2(c)), no right or remedy described or provided in this Agreement is intended to be exclusive or to preclude a party hereto from pursuing other rights and remedies to the extent available under this Agreement, at law or in equity. The right of specific performance and other equitable relief is an integral part of the

transactions contemplated by this Agreement and without that right, neither Sellers nor Buyer would have entered into this Agreement. If, prior to the Outside Date, any party hereto brings any action to enforce specifically the performance of the terms and provisions hereof by any other party hereto, the Outside Date will automatically be extended (i) for the period during which such action is pending, plus ten (10) Business Days or (ii) by such other time period established by the court presiding over such action, as the case may be.

14.9 Governing Law; Consent to Jurisdiction and Venue; Jury Trial Waiver.

(a) **Except (i) to the extent the mandatory provisions of the Bankruptcy Code apply and (ii) except for any real or immovable property issues, which shall be governed by and construed and enforced in accordance with the internal laws of the State in which such real or immovable property is located (without reference to the choice of law rules of such State), this Agreement shall be governed by, and construed in accordance with, the laws of the State of Texas applicable to contracts made and to be performed entirely in such state without regard to principles of conflicts or choice of laws or any other law that would make the laws of any other jurisdiction other than the State of Texas applicable hereto.**

(b) Without limitation of any Party's right to appeal any Order of the Bankruptcy Court, (i) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any claims or disputes which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the transactions contemplated hereby and (ii) any and all claims relating to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the Parties hereby consent and submit to the exclusive jurisdiction and venue of the Bankruptcy Court and irrevocably waive the defense of an inconvenient forum to the maintenance of any such Action or Proceeding; *provided, however*, that, if the Bankruptcy Case is closed (and not reopened, if requested by Buyer (provided that Buyer shall have no obligation to make such a request)), all Actions and Proceedings arising out of or relating to this Agreement shall be heard and determined in a Texas state court or a federal court sitting in the state of Texas, and the Parties each hereby irrevocably submit to the exclusive jurisdiction and venue of such courts in any such Action or Proceeding and irrevocably waive the defense of an inconvenient forum to the maintenance of any such Action or Proceeding. The Parties each consent to service of process by mail (in accordance with Section 14.1) or any other manner permitted by law.

(c) **THE PARTIES HEREBY IRREVOCABLY WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED IN CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE ACTIONS OF ANY PARTY OR SUCH PARTY'S REPRESENTATIVES IN THE NEGOTIATION OR PERFORMANCE HEREOF.**

14.10 Counterparts.

This Agreement and any amendment hereto may be executed in one (1) or more counterparts, each of which shall be deemed to be an original of this Agreement or such amendment and all of which, when taken together, shall constitute one and the same instrument. Notwithstanding anything to the contrary in Section 14.1, delivery of an executed counterpart of a signature page to this Agreement or any amendment hereto by telecopier or email attachment

shall be effective as delivery of a manually executed counterpart of this Agreement or such amendment, as applicable.

14.11 Parties in Interest; No Third Party Beneficiaries.

This Agreement shall inure to the benefit of and be binding upon Buyer, Sellers and MSEC and their respective successors and permitted assigns. This Agreement is for the sole benefit of such parties hereto and their permitted assigns, and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable benefit, claim, cause of action, remedy or right of any kind, except that Section 13.3 is intended for the benefit of and is enforceable by the Buyer Parties and the MSEC Parties and Section 14.12 is intended for the benefit of and is enforceable by the Party Affiliates, provided that in each case such party shall be subject to all the limitations and procedures of this Agreement as if it were a Party hereunder.

14.12 No Recourse.

Notwithstanding anything that may be expressed or implied in this Agreement or any Transaction Document, and notwithstanding the fact that any party hereto may be a partnership or limited liability company, each party hereto, by its acceptance of the benefits of this Agreement, covenants, agrees and acknowledges that no Persons other than the parties hereto shall have any obligation hereunder and that it has no rights of recovery hereunder against, and no recourse hereunder or under any Transaction Documents or in respect of any oral representations made or alleged to be made in connection herewith or therewith shall be had against, any former, current or future Affiliate, incorporator, controlling Person, fiduciary, Representative, co-owner or equity holder of any party hereto (or any of their successors or permitted assignees) (each, a “Party Affiliate”), whether by or through attempted piercing of the corporate veil, by or through a claim (whether in tort, contract or otherwise) by or on behalf of such Person against the Party Affiliates, by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any statute, regulation or other applicable Legal Requirement, or otherwise; it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any Party Affiliate, as such, for any obligations of the applicable Person under this Agreement or the transaction contemplated hereby, under any documents or instruments delivered contemporaneously herewith, in respect of any oral representations made or alleged to be made in connection herewith or therewith, or for any claim (whether in tort, contract or otherwise) based on, in respect of, or by reason of, such obligations or their creation.

14.13 Disclosure Schedules; Materiality.

The inclusion of any matter in any Disclosure Schedule shall be deemed to be an inclusion for all purposes of this Agreement, in all other Disclosure Schedules to the extent that such disclosure is sufficient to identify the matter to which such disclosure is responsive, but inclusion therein shall not be deemed to constitute an admission, or otherwise imply, that any such matter is material or creates a measure for materiality for purposes of this Agreement. The disclosure of any particular fact or item in any Disclosure Schedule shall not be deemed an admission as to whether the fact or item is “material” or would constitute a “Material Adverse Effect.”

14.14 Liquidating Trustee.

If at any time any Seller liquidates, its estate is converted to Chapter 7, or otherwise has a trustee or other representative appointed by the Bankruptcy Court (as applicable, a “Trustee”), then (a) such Trustee shall be bound to perform the obligations of Sellers and shall be entitled to exercise the rights of Sellers under this Agreement, and (b) with respect to all of Sellers’ assets that are abandoned (if any) following the Effective Date, Sellers grant to such Trustee a power of attorney for purposes performing Sellers’ obligations under Section 2.8 or Section 8.14 (if and as applicable) with respect to such abandoned assets. Sellers acknowledge and agree that the power of attorney granted to such Trustee (if any) pursuant to the foregoing clause (b) is coupled with an interest and shall be irrevocable. Further, such power of attorney shall also be granted to Buyer for purposes of performing Sellers’ obligations under Section 2.8 or Section 8.14 (if and as applicable) with respect to such abandoned assets, as determined by Buyer, and in the event Buyer exercises such power of attorney, the Trustee shall not commit any act or take any action that is inconsistent with such exercise by Buyer, except as requested in writing by Buyer.

14.15 Seller Representative.

(a) HoldCo and each Shoreline Subsidiary, by executing this Agreement, irrevocably constitutes and appoints Shoreline and its successors, acting as hereinafter provided, as such appointing Person’s attorney-in-fact to act on behalf of such Person in connection with the authority granted to Shoreline pursuant to this Section 14.15, and acknowledges that such appointment is coupled with an interest.

(b) HoldCo and each Shoreline Subsidiary, by the appointment described in Section 14.15(a), (i) authorizes Shoreline subsequent to the date hereof (A) to give and receive written consents, reports, notices and communications to or from Buyer and/or MSEC relating to this Agreement, the transactions contemplated by this Agreement and the other Transaction Documents, (B) to act on such appointing Person’s behalf with respect to any and all matters affecting such appointing Person in this Agreement, including giving and receiving all notices and communications to be given or received with respect to any such matters, and (C) to negotiate, compromise and resolve any dispute that may arise under this Agreement; *provided, however*, that in each of clauses (A) through (C) preceding, Shoreline shall not have the authority to execute any agreements or documents (other than consents, reports, notices and communications) on behalf of HoldCo or any Shoreline Subsidiary, and (ii) agrees to be bound by all agreements and determinations made by and documents executed and delivered by Shoreline pursuant to the authority granted to Shoreline hereunder.

(c) HoldCo and each Shoreline Subsidiary, by the execution of this Agreement, expressly acknowledges and agrees that (i) Shoreline is authorized to act on its behalf with respect to this Agreement, notwithstanding any dispute or disagreement between such appointing Person and Shoreline, and (ii) MSEC, Buyer, each Buyer Party and any other Person shall be entitled to solely interact with, and rely on any and all actions taken by, Shoreline under this Agreement without any liability to, or obligation to inquire of, such appointing Person. Any notice or communication given or received by, and any decision, action, failure to act within a designated period of time, agreement, consent, settlement, resolution or instruction of, Shoreline that is within the scope of Shoreline’s authority under this Section 14.15 shall constitute a notice or communication to or by, or a decision, action, failure to act within a

designated period of time, agreement, consent, settlement, resolution or instruction of Sellers and shall be final, binding and conclusive upon such appointing Person. MSEC, Buyer and any other Person shall be entitled to rely upon any such notice, communication, decision, action, failure to act within a designated period of time, agreement, consent, settlement, resolution or instruction as being a notice or communication to or by, or a decision, action, failure to act within a designated period of time, agreement, consent, settlement, resolution or interaction of, such appointing Person and Sellers.

UNDERSTOOD AND AGREED BY THE PARTIES THAT ASSIGNEE SHALL BE DEEMED TO BE OBTAINING THE ASSETS IN THEIR PRESENT STATUS, CONDITION AND STATE OF REPAIR, "AS IS" AND "WHERE IS" WITH ALL FAULTS AND THAT ASSIGNEE HAS MADE OR CAUSED TO BE MADE SUCH INSPECTIONS AS ASSIGNEE DEEMS APPROPRIATE AND ASSIGNEE IRREVOCABLY WAIVES ANY AND ALL CLAIMS THEY MAY HAVE AGAINST ASSIGNORS ASSOCIATED WITH SAME.

WITHOUT LIMITING THE REPRESENTATIONS AND WARRANTIES OF ASSIGNORS SET FORTH IN THE PURCHASE AGREEMENT OR THE SPECIAL WARRANTY OF TITLE SET FORTH IN THIS ASSIGNMENT, (I) ASSIGNORS EXPRESSLY DISCLAIM AND ASSIGNEE EXPRESSLY WAIVES ANY REPRESENTATION OR WARRANTY, EXPRESS, STATUTORY, IMPLIED OR OTHERWISE, AS TO EVICTION (UNDER ARTICLE 2500 ET SEQ. ASSIGNEE AND ASSIGNORS ACKNOWLEDGE AND AGREE THAT THE PURCHASE PRICE WAS NEGOTIATED AND AGREED UPON AFTER CONSIDERATION OF THE FOREGOING. ASSIGNEE ACKNOWLEDGES THAT THESE WAIVERS HAVE BEEN BROUGHT TO THE ATTENTION OF ASSIGNEE AND EXPLAINED IN DETAIL BY ITS ATTORNEY AND THAT ASSIGNEE HAS VOLUNTARILY AND KNOWINGLY CONSENTED TO THESE WAIVERS OF WARRANTY.

EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES OF ASSIGNORS EXPRESSLY SET FORTH IN THE PURCHASE AGREEMENT AND THE SPECIAL WARRANTY OF TITLE SET FORTH IN THIS ASSIGNMENT, ASSIGNORS HAVE NOT AND WILL NOT MAKE ANY REPRESENTATION OR WARRANTY REGARDING ANY MATTER OR CIRCUMSTANCE RELATING TO ENVIRONMENTAL LAW, ASSUMED LIABILITIES RELATING TO ENVIRONMENTAL LAW, THE RELEASE OF MATERIALS INTO THE ENVIRONMENT OR THE PROTECTION OF HUMAN HEALTH, SAFETY, NATURAL RESOURCES OR THE ENVIRONMENT, OR ANY OTHER ENVIRONMENTAL CONDITION OF THE ASSETS, AND NOTHING IN THE PURCHASE AGREEMENT OR OTHERWISE WILL BE CONSTRUED AS SUCH A REPRESENTATION OR WARRANTY, AND ASSIGNEE IS DEEMED TO BE TAKING THE ASSETS "AS IS" AND "WHERE IS" FOR PURPOSES OF THEIR ENVIRONMENTAL CONDITION.

THE PROVISIONS OF ANY ANTI-INDEMNITY STATUTE RELATING TO OILFIELD SERVICES AND ASSOCIATED ACTIVITIES ARE NOT APPLICABLE TO THIS ASSIGNMENT OR THE TRANSACTIONS CONTEMPLATED HEREIN OR IN THE PURCHASE AGREEMENT.

Nothing in this Assignment or otherwise shall waive or limit Assignee's rights in the event of actual fraud.

Separate governmental forms of assignments of the Assets may be executed on officially approved forms by Assignors and Assignee, in sufficient counterparts to satisfy applicable statutory and regulatory requirements. Those assignments shall be deemed to contain all of the exceptions, reservations, warranties, rights, titles, powers, and privileges set forth herein as fully as though they were set forth in each such assignment. The interests conveyed by such separate assignments are the same, and not in addition to the interests conveyed by this Assignment and are not intended to modify, and shall not modify, any of the terms, covenants and conditions, or limitations on warranties set forth in this Assignment and are not intended to create, and shall not create, any representations, warranties, or additional covenants of or by any Assignor to Assignee.

This Assignment and all rights and covenants in connection herewith shall be binding upon the Parties, and their respective heirs, successors, and assigns, and the covenants hereof shall run with the Assets. All Attachments, Exhibits and Schedules attached hereto are hereby made part hereof and incorporated herein by this reference. This Assignment is intended to be recorded and filed of record. To facilitate recordation, there are omitted from the Exhibits to this Assignment in certain counterparts descriptions of property located in recording jurisdictions other than the jurisdiction (tax district, county, parish, state, or federal agency) in which the particular counterpart is to be filed or recorded.

To the extent permitted by Legal Requirements, Assignee shall be subrogated to Assignors' rights in and to representations, warranties, and covenants given by others with respect to the Assets, and each Assignor hereby grants and transfers to Assignee, its successors and assigns, to the extent so transferable and permitted by Legal Requirements, the benefit of and the right to enforce the covenants, representations, and warranties, if any, which such Assignor is entitled to enforce with respect to the Assets (but excluding covenants and warranties made by such Assignor, its Affiliates, and each of their respective members, partners, directors, managers, officers, employees, and agents, other than those set forth in the Purchase Agreement and the other documents and instruments delivered by such Persons thereunder).

Except (a) to the extent the mandatory provisions of the Bankruptcy Code apply and (b) except for any real or immovable property issues, which shall be governed by and construed and enforced in accordance with the internal laws of the State in which such real or immovable property is located (without reference to the change of law rules of such State), this Assignment shall be governed by, and construed in accordance with, the laws of the State of Texas applicable to contracts made and to be performed entirely in such state without regard to principles of conflicts or choice of laws or any other law that would make the laws of any other jurisdiction other than the State of Texas applicable hereto.

Without limitation of any Party's right to appeal any Order of the Bankruptcy Court, (a) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Assignment and to decide any claims or disputes which may arise or result from, or be connected with, this Assignment, any breach or default hereunder, or the transactions contemplated hereby and (b) any and all claims relating to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the Parties hereby consent and submit to the exclusive jurisdiction and venue of the Bankruptcy Court and irrevocably waive the defense of an inconvenient forum to the

maintenance of any such Action or Proceeding; *provided, however*, that, if the Bankruptcy Case is closed (and not reopened, if requested by Assignee (provided that Assignee shall have no obligation to make such a request)), all Actions and Proceedings arising out of or relating to this Assignment shall be heard and determined in a Texas state court or a federal court sitting in the state of Texas, and the Parties each hereby irrevocably submit to the exclusive jurisdiction and venue of such courts in any such Action or Proceeding and irrevocably waive the defense of an inconvenient forum to the maintenance of any such Action or Proceeding. The Parties each consent to service of process by mail (in accordance with Section 13.1 of the Purchase Agreement) or any other manner permitted by law.

THE PARTIES HEREBY IRREVOCABLY WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED IN CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS ASSIGNMENT OR THE ACTIONS OF ANY PARTY OR SUCH PARTY'S REPRESENTATIVES IN THE NEGOTIATION OR PERFORMANCE HEREOF.

The Parties agree to (a) furnish upon request to each other such further information, (b) execute, acknowledge and deliver to each other such other documents (including, if reasonably requested by Assignee, the obtaining by one or more Assignor of further orders of the Bankruptcy Court) and (c) do such other acts and things, all as the other Party may reasonably request for the purpose of carrying out the intent of this Assignment and the other Transaction Documents. In furtherance of the foregoing, and limited to the transactions contemplated by or required to effect the transactions contemplated by the Purchase Agreement, by its execution of this Assignment, Assignors authorize Assignee, and grant to Assignee an irrevocable power of attorney that is coupled with an interest to execute and deliver to any other Person or Governmental Authority any instrument or agreement or make any filing in the name of an Assignor in order to accomplish the purpose of the transactions contemplated hereby or by the Purchase Agreement.

This Assignment may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original, and all such counterparts shall together constitute but one and the same Assignment.

Findings of Fact and Conclusions of Law

A. The findings of fact and conclusions of law herein constitute the Court's findings of fact and conclusions of law for the purposes of Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014. To the extent any findings of facts are conclusions of law, they are adopted as such. To the extent any conclusions of law are findings of fact, they are adopted as such.

Jurisdiction and Venue

B. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. Without limiting the generality of the foregoing, this Court has exclusive *in rem* jurisdiction over the Assets pursuant to 28 U.S.C. § 1334(e), as such Assets are property of the Debtors' chapter 11 estates, and, as a result of such jurisdiction, this Court has all necessary power and authority to grant the relief contained herein. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A) and (N). Venue in this district is proper under 28 U.S.C. §§ 1408 and 1409.

Statutory Predicates

C. The statutory and other legal bases for the relief requested in the Motion are sections 105(a), 363, and 365 of the Bankruptcy Code, as supplemented by Bankruptcy Rules 2002, 6004, 6006, 9007, 9008 and 9014. The consummation of the transactions contemplated by the Purchase Agreement and this Order (the "Transactions") is legal, valid and properly authorized under all applicable provisions of the Bankruptcy Code, the Bankruptcy Rules and the Local Rules and the Debtors, MSEC, the Buyer, HB Parent (as defined below), and their

affiliates have complied with all of the applicable requirements of such sections and rules in respect of the Transactions.

Notice

D. As evidenced by the affidavits and/or certificates of service filed with the Court, proper, timely, adequate, and sufficient notice of the Motion, the Bidding Procedures, the Auction, the Sale (and the Transactions contemplated in connection therewith), the assumption and assignment to the Buyer of the executory contracts and unexpired leases specified as of the date hereof pursuant to the Purchase Agreement (the “Assigned Contracts” and the “Assigned Leases,” respectively), the Cure Costs (as defined below), the Sale Hearing, and all deadlines related thereto, has been provided, as relevant, in accordance with sections 102(1), 363, and 365 of the Bankruptcy Code and Bankruptcy Rules 2002, 6004, 6006, 9007, 9008 and 9014, and in compliance with the Bidding Procedures Order, to all interested persons and entities.

E. The Debtors served notices substantially in the form included in the *[Notice of Proposed Assumption and Assignment of Executory Contracts and Unexpired Leases in Connection with the Sale of Certain of the Debtors’ Assets and the Proposed Cure Costs]* [Docket No. _____] (each a “Notice of Assumption and Assignment”), in accordance with the Bidding Procedures Order, identifying, among other things, the Cure Costs (as defined below). The Debtors served the Notice of Assumption and Assignment on each of the non-Debtor counterparties to the Assigned Contracts and the Assigned Leases. The service of the Notice of Assumption and Assignment was sufficient under the circumstances and in full compliance with the Bidding Procedures Order, and no further notice need be provided in respect of the Debtors’ assumption and assignment to the Buyer of the Assigned Contracts and the Assigned Leases or the Cure Costs. All non-Debtor counterparties to the Assigned Contracts and the Assigned

Leases have had an adequate opportunity to object to the assumption and assignment of the Assigned Contracts and the Assigned Leases and the Cure Costs.

F. The notice described in the foregoing paragraphs is good, sufficient, and appropriate under the circumstances, and no other or further notice of the Motion, the Bidding Procedures, the Auction, the Sale (and the Transactions contemplated in connection therewith), the assumption and assignment to the Buyer of the Assigned Contracts and the Assigned Leases, the Cure Costs, the Sale Hearing, consent and preferential purchase rights related to oil and gas interests, and all deadlines related thereto is or shall be required.

Marketing and Sale Process

G. The Sale of the Assets to the Buyer pursuant to the Bidding Procedures is duly authorized pursuant to sections 363(b)(1) and 363(f) of the Bankruptcy Code and Bankruptcy Rule 6004(f). As demonstrated by (i) testimony and other evidence proffered or adduced at the Sale Hearing and (ii) the representations of counsel made on the record at the Sale Hearing, the Debtors and their professionals, agents, and other representatives have marketed the Assets and conducted all aspects of the sale process, including the solicitation of bids for the Auction, in good faith and in compliance with the Bidding Procedures and the Bidding Procedures Order. The marketing process undertaken by the Debtors and their professionals, agents and other representatives with respect to the Assets has been adequate and appropriate and reasonably calculated to maximize value for the benefit of all stakeholders. The Bidding Procedures and the Auction were duly noticed, were substantively and procedurally fair to all parties, including all Potential Bidders and including with respect to all provisions governing credit bidding, and were conducted in a diligent, non-collusive, fair and good-faith manner.

H. The Bid Deadline passed at 5:00 p.m. (prevailing Eastern Time), on [____], 2016 in accordance with the Bidding Procedures and Bidding Procedures Order. On [____], 2016, the Debtors filed the Notice of Auction stating that the Debtors would conduct the Auction for the Assets. The Debtors conducted an Auction on [____], 2016 in accordance with the Bidding Procedures and Bidding Procedures Order. Pursuant to the terms of the Bidding Procedures, the Transactions contemplated by the Purchase Agreement constituted the highest and best bid for the Assets at the Auction and, therefore, were designated as the Successful Bid. On [____], 2017, the Debtors filed the Notice of Successful Bidders identifying the Buyer as the Successful Bidder for the Assets in accordance with the Bidding Procedures Order. As established by the record of the Sale Hearing, the bidding and related procedures established by the Bidding Procedures Order have been complied with in all material respects by the Debtors, MSEC, HB Parent, the Buyer, and all of their affiliates. The Bidding Procedures afforded a full, fair and reasonable opportunity for any entity or person to make a higher or otherwise better offer to purchase the Assets, and the Purchase Agreement constitutes the best and highest offer for the Assets.

Corporate Authority

I. The Assets constitute property of the Debtors' estates and title thereto is vested in the Debtors' estates within the meaning of section 541 of the Bankruptcy Code. The Debtors (i) have full corporate power and authority to execute the Purchase Agreement and all other documents contemplated thereby, and the Sale to the Buyer has been duly and validly authorized by all necessary corporate action, (ii) have all of the corporate power and authority necessary to consummate the Sale and the Transactions contemplated by the Purchase Agreement, (iii) have taken all corporate action necessary to authorize and approve the Purchase

Agreement and the consummation by the Debtors of the Sale and the Transactions contemplated thereby, and (iv) require no consents or approvals, other than those expressly provided for in the Purchase Agreement, to consummate the Transactions.

Highest and Best Offer; Business Judgment

J. The Debtors have demonstrated a sufficient basis to enter into the Purchase Agreement, sell the Assets on the terms outlined therein and assume and assign the Assigned Contracts and the Assigned Leases to the Buyer under sections 363 and 365 of the Bankruptcy Code. All such actions are appropriate exercises of the Debtors' business judgment and in the best interests of the Debtors, their creditors, their estates and other parties in interest. Approval of the Sale pursuant to the Purchase Agreement at this time is in the best interests of the Debtors, their creditors, their estates, and all other parties in interest.

K. The offer of the Buyer, upon the terms and conditions set forth in the Purchase Agreement, including the total consideration to be realized by the Debtors thereunder, (i) is the highest and best offer received by the Debtors after extensive marketing, including through the Bidding Procedures, (ii) is in the best interests of the Debtors, their creditors, their estates and other parties in interest and (iii) constitutes full and adequate consideration, is fair and reasonable and constitutes reasonably equivalent value, fair consideration, and fair value for the Assets under the Bankruptcy Code, the Uniform Fraudulent Transfer Act, and under the laws of the United States, any state, territory, possession, or the District of Columbia. Taking into consideration all relevant factors and circumstances, no other entity has offered to purchase the Assets for greater economic value to the Debtors or their estates.

L. There has been no showing that any of the Debtors or Buyer (i) has entered into the Purchase Agreement or proposes to consummate the Transactions for the

purposes of hindering, delaying, or defrauding the Debtors' present or future creditors or (ii) is entering into the Purchase Agreement or proposing to consummate the Transactions fraudulently, for the purpose of statutory or common law fraudulent conveyance and fraudulent transfer claims, whether under the Bankruptcy Code or under the laws of the United States, any state, territory, possession thereof or the District of Columbia or any other applicable jurisdiction with laws substantially similar to the foregoing.

M. The sale of the Assets outside a chapter 11 plan pursuant to the Purchase Agreement neither impermissibly restructures the rights of the Debtors' creditors nor impermissibly dictates the terms of a chapter 11 plan of the Debtors. The sale of the Assets does not constitute a sub rosa chapter 11 plan.

Opportunity to Object

N. A reasonable opportunity to object or be heard with respect to the Motion, the Bidding Procedures, the Auction, the Sale (and the Transactions contemplated in connection therewith), the assumption and assignment to the Buyer of the Assigned Contracts and the Assigned Leases, the Cure Costs, the Sale Hearing, consent and preferential purchase rights related to oil and gas interests, and all deadlines related thereto has been afforded to all interested persons and entities.

Good Faith Purchaser; Arm's Length Sale

O. The Purchase Agreement was negotiated, proposed, and entered into by the Debtors, the Buyer, and MSEC without collusion, in good faith, and from arm's length bargaining positions. Neither the Debtors, the Buyer, HPS Investment Partners, LLC ("HB Parent"), MSEC, nor any parent or affiliate of the Buyer, MSEC, or HB Parent has engaged in

any conduct that would cause or permit the Purchase Agreement or the Sale to be avoided under section 363(n) of the Bankruptcy Code.

P. The Buyer is a good-faith purchaser under section 363(m) of the Bankruptcy Code and, as such, is entitled to all of the protections afforded thereby. The Buyer, HB Parent, MSEC, in its capacities as administrative agents under the DIP Credit Agreement and the First Lien Credit Agreement, and all of their affiliates are released from any liability related to or arising from submission of the Credit Bid (as defined below).

Q. Neither MSEC, Buyer, HB Parent nor any of their affiliates, members, officers, directors, shareholders or any of their respective successors or assigns is an “insider” or “affiliate” of any of the Debtors, as those terms are defined in sections 101(31) and 101(2) of the Bankruptcy Code, and the Buyer’s professionals, agents and other representatives have complied in all respects with the Bidding Procedures Order and all other applicable orders of this Court in negotiating and entering into the Purchase Agreement. The Purchase Agreement complies with the Bidding Procedures Order and all other applicable orders of this Court.

Free and Clear Transfer Required by Buyer

R. The Buyer would not have entered into the Purchase Agreement and would not have consummated the Sale, thus adversely affecting the Debtors, their estates, and their creditors, if each of the Sale and the assumption and assignment of the Assigned Contracts and the Assigned Leases to the Buyer were not free and clear of all Liens, Claims, and Interests of any kind or nature whatsoever (with the sole exception of the Assumed Liabilities) as more fully set forth in Paragraph [8] of this Order, or if the Buyer would, or in the future could, be liable for any of the Excluded Liabilities. For the avoidance of doubt, neither the Buyer, HB Parent, MSEC, or any of their affiliates shall have any responsibility whatsoever with respect to

the Excluded Liabilities, which shall remain the responsibility of the Debtors before, on, and after the Closing.

S. As of the Closing, pursuant and subject to the terms of the Purchase Agreement and this Order, the transfer of the Assets and of the Assumed Liabilities and the Sale will effect a legal, valid, enforceable, and effective transfer of the Assets and will vest the Buyer with all of the Debtors' rights, title, and interests in the Assets free and clear of all Liens, Claims, and Interests of any kind or nature whatsoever (with the sole exception of the Assumed Liabilities).

Satisfaction of Section 363(f)

T. The Debtors may sell the Assets free and clear of any and all Liens, Claims, and Interests (each as defined herein) of any kind or nature whatsoever, including any rights or claims based on any putative successor or transferee liability, as set forth herein, because, in each case, one or more of the standards set forth in section 363(f)(1)–(5) of the Bankruptcy Code has been satisfied. All parties in interest, including, without limitation, any holders of Liens, Claims, and/or Interests, and holders of any consent and preferential purchase rights related to oil and gas interests, and any non-Debtor counterparties to the Assigned Contracts and Assigned Leases, who did not object, or who withdrew their objection, to the Sale, the Motion, the assumption and assignment of the applicable Assigned Contract or Assigned Lease or the associated Cure Cost are deemed to have consented to the relief granted herein pursuant to section 363(f)(2) of the Bankruptcy Code. Those holders of Liens, Claims, or Interests and non-Debtor parties to Assigned Contracts and Assigned Leases that did not object fall within one or more of the other subsections of section 363(f) of the Bankruptcy Code.

Assigned Contracts and Assigned Leases

U. The Debtors have demonstrated (i) that it is an exercise of their sound business judgment to assume and assign the Assigned Contracts and the Assigned Leases to the Buyer in each case in connection with the consummation of the Sale and (ii) that the assumption and assignment of the Assigned Contracts and the Assigned Leases to the Buyer is in the best interests of the Debtors, their estates and creditors, and other parties in interest. The Assigned Contracts and the Assigned Leases being assigned to the Buyer are an integral part of the Assets being purchased by the Buyer and, accordingly, such assumption, assignment and cure of any defaults under the Assigned Contracts and the Assigned Leases are reasonable and enhance the value of the Debtors' estates. Any non-Debtor counterparty to an Assigned Contract or Assigned Lease that has not actually filed with the Court an objection to such assumption and assignment in accordance with the terms of the Motion is deemed to have consented to such assumption and assignment.

Cure Costs and Adequate Assurance

V. The Debtors and the Buyer, as applicable, have, including by way of entering into the Purchase Agreement, and agreeing to the provisions relating to the Assigned Contracts and Assigned Leases therein, (i) cured, or provided adequate assurance of cure, of any default existing prior to the date hereof under any of the Assigned Contracts and Assigned Leases within the meaning of section 365(b)(1)(A) of the Bankruptcy Code and (ii) provided compensation or adequate assurance of compensation to any party for any actual pecuniary loss to such party resulting from a default prior to the date hereof under any of the Assigned Contracts and the Assigned Leases within the meaning of section 365(b)(1)(B) of the Bankruptcy Code and the Buyer has, based upon the record of these proceedings, including the evidence proffered by the Debtors at the Sale Hearing, provided adequate assurance of its future

performance of and under the Assigned Contracts and the Assigned Leases pursuant to sections 365(b)(1) and 365(f)(2) of the Bankruptcy Code. The Buyer's agreement under the Purchase Agreement to perform the obligations under the Assigned Contracts and the Assigned Leases after the Closing shall constitute adequate assurance of future performance under the Assigned Contracts and the Assigned Leases being assigned to the Buyer within the meaning of sections 365(b)(1)(C) and 365(f)(2)(B) of the Bankruptcy Code. The Cure Costs are hereby found to be the sole amounts necessary to cure any and all defaults under the Assigned Contracts and the Assigned Leases under section 365(b) of the Bankruptcy Code.

Time Is of the Essence; Waiver of Stay

W. Time is of the essence in consummating the Sale. In order to maximize the value of the Assets, it is essential that the sale and assignment of the Assets occur within the time constraints set forth in the Purchase Agreement. Accordingly, there is cause to waive the stays contemplated by Bankruptcy Rules 6004 and 6006.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED THAT:

Motion is Granted

1. The relief requested by the Motion is granted as set forth herein.

The Debtors are further authorized and directed to pay, without further order of this Court, whether before, at, or after the Closing, any expenses or costs that are required to be paid in order to consummate the Transactions contemplated by the Purchase Agreement or perform their obligations under the Purchase Agreement.

5. The Debtors are authorized and directed, in accordance with the Purchase Agreement, to execute and deliver, and empowered to perform under, consummate, and implement, the Purchase Agreement, together with all additional instruments, documents, and other agreements that may be reasonably necessary or desirable to implement the Purchase Agreement, and to take all further actions as may be reasonably requested by the Buyer for the purpose of assigning, transferring, granting, conveying and conferring to the Buyer or reducing

to possession, the Assets, or as may be reasonably necessary or appropriate to the performance of the obligations as contemplated by the Purchase Agreement.

6. Buyer and the Debtors have no obligation to proceed with the Closing unless and until all conditions precedent to its obligations to do so, as set forth in the Purchase Agreement, have been met, satisfied or waived in accordance with the terms of the Purchase Agreement.

Binding Effect of Order

This Order and the Purchase Agreement shall be binding upon all creditors of, and equity holders in, the Debtors and any and all other parties in interest, including, without limitation, any and all holders of Liens, Claims, and Interests (including holders of any rights or claims based on any putative successor or transferee liability) of any kind or nature whatsoever, all non-Debtor parties to the Assigned Contracts and the Assigned Leases, the Buyer, the Debtors and their affiliates and subsidiaries, and any trustee or successor trustee appointed in the Debtors' chapter 11 cases or upon a conversion to chapter 7 under the Bankruptcy Code. To the extent of any such conflict or derogation, the terms of this Order shall govern.

Amendments to the Purchase Agreement

8. The Purchase Agreement and any related agreements, documents, or other instruments may be modified, amended, supplemented or restated by the parties thereto in a writing signed by such parties and in accordance with the terms thereof, without further order of this Court, provided that any such modification, amendment, supplement or restatement does not

have a material adverse effect on the Debtors' estates. The Purchase Agreement and the Debtors obligations therein shall not be altered, amended, rejected, discharged or otherwise affected by any chapter 11 plan proposed or confirmed in these bankruptcy cases without the prior written consent of the Buyer and MSEC.

Transfer of the Assets Free and Clear

9. The Buyer shall assume and be liable for only those liabilities expressly assumed pursuant to the Purchase Agreement. Pursuant to sections 105(a) and 365 of the Bankruptcy Code, and subject to and conditioned upon the Closing, the Debtors' assumption and assignment to the Buyer of the Assigned Contracts and the Assigned Leases is hereby approved, and the requirements of section 365(b)(1) of the Bankruptcy Code with respect thereto are hereby deemed satisfied.

16. The Debtors are hereby authorized, in accordance with the Purchase Agreement, and in accordance with sections 105(a) and 365 of the Bankruptcy Code, to (i) assume and assign to the Buyer the Assigned Contracts and the Assigned Leases, effective upon and subject to the occurrence of the Closing, free and clear of all Liens, Claims, and Interests of any kind or nature whatsoever (with the sole exception of the Assumed Liabilities), which Assigned Contracts and Assigned Leases, by operation of this Order, shall be deemed assumed and assigned to the Buyer effective as of the Closing, and (ii) execute and deliver to the Buyer

such documents or other instruments as the Buyer may deem necessary to assign and transfer the Assigned Contracts and the Assigned Leases to the Buyer.

17. Subject to Paragraph [16] hereof:
 - a. The Debtors are authorized to and shall assume all of the Assigned Contracts and the Assigned Leases in accordance with section 365 of the Bankruptcy Code.
 - b. The Debtors are authorized to and shall assign each Assigned Contract and Assigned Lease to the Buyer in accordance with sections 363 and 365 of the Bankruptcy Code, and any provisions in any Assigned Contract or Assigned Lease that prohibit or condition the assignment of such Assigned Contract or Assigned Lease on the consent of the counterparty thereto or allow the non-Debtor party to such Assigned Contract or Assigned Lease to terminate, recapture, impose any penalty, condition, renewal or extension, or modify any term or condition upon the assignment of such Assigned Contract or Assigned Lease, shall constitute unenforceable anti-assignment provisions which are expressly preempted under section 365 of the Bankruptcy Code and void and of no force and effect.
 - c. All requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption and assignment of the Assigned Contracts and Assigned Leases by the Debtors to the Buyer have been satisfied.
 - d. Upon the Closing, the Assigned Contracts and Assigned Leases shall be transferred and assigned to, and remain in full force and effect for the benefit of, the Buyer in accordance with their respective terms, notwithstanding any provision in any such Assigned Contract or Assigned Lease (including those of the type described in sections 365(b)(2), 365(e)(1) and 365(f) of the Bankruptcy Code) that prohibits, restricts, limits, or conditions such assignment or transfer.
 - e. After the Debtors' transfer and assignment of the Assigned Contracts and the Assigned Leases to the Buyer, in accordance with sections 363 and 365 of the Bankruptcy Code, the Buyer shall be fully and irrevocably vested in all right, title, and interest of each Assigned Contract and Assigned Lease free and clear of Liens, Claims, and Interests with the sole exception of the Assumed Liabilities.
 - f. Any portion of any Assigned Lease which purports to permit a landlord thereunder to cancel the remaining term of such Assigned Lease if the Debtors discontinue their use or operation of the leased premises is void and of no force and effect, and shall not be enforceable against the Buyer, or its assignees and sublessees; and the landlords under any such Assigned

Lease shall not have the right to cancel or otherwise modify the Assigned Lease or increase the rent, assert any claim or impose any penalty by reason of such discontinuation, the Debtors' cessation of operations, the assignment of such Assigned Lease to the Buyer, or the interruption of business activities at any of the leased premises.

- g. The failure of the Debtors, to enforce, at any time prior to the Closing Date, one or more terms or conditions of any Assumed Contract or Assumed Lease shall not be a waiver of such terms or conditions, or of the Buyer's rights to enforce every term and condition of the Assumed Contract and Assumed Leases.
- h. There shall be no rent accelerations, assignment fees, increases, or any other fees charged to the Buyer as a result of the assumption, assignment, and sale of the Assumed Contract and Assumed Leases.

18. All defaults and all other obligations of the Debtors under the Assigned Contracts and the Assigned Leases occurring, arising or accruing prior to the assignment thereof to the Buyer at Closing (without giving effect to any acceleration clauses or any default provisions of the kind specified in section 365(b)(2) of the Bankruptcy Code) are deemed to have been cured or satisfied by the payment of the proposed amount necessary, if any, to cure all monetary defaults, if any, under each Assigned Contract and Assigned Lease in the amounts set forth in the Notice of Assumption and Assignment or any supplemental Notice of Assumption and Assignment (or any other cure cost reached by agreement after an objection to the proposed cure cost by a counterparty to an Assigned Contract or Assigned Lease), which was served in compliance with the Bidding Procedures Order, and is set forth on the schedule attached hereto as **Exhibit 2** (the "Cure Costs"), and which Cure Costs were satisfied, or shall be satisfied as soon as practicable, by the Debtors or by the Buyer, as the case may be, as provided in the Purchase Agreement. For all Assigned Contracts and Assigned Leases for which a Notice of Assumption and Assignment was served, the Debtors and the Buyer, as applicable, are each authorized and directed to pay their respective portion of all Cure Costs required to be paid by such parties in accordance with the Purchase Agreement upon the Closing.

19. Pursuant to section 365(k) of the Bankruptcy Code, the Debtors and their estates shall be relieved from any liability for any breach for any Assigned Contract or Assigned Lease that occurs after the effectiveness of such assumption and assignment to the Buyer.

No Successorship or Transferee Liability

20. Neither the Buyer, HB Parent, MSEC, or any of their affiliates are or shall be deemed, as a result of the consummation of the Transactions contemplated herein, to: (a) be legal successors to the Debtors or their estates by reason of any theory of law or equity, (b) have, *de facto* or otherwise, merged with or into the Debtors, or (c) be an alter ego or a mere continuation or substantial continuation or successor of the Debtors in any respect. Neither the Buyer, HB Parent, MSEC, or any of their affiliates shall assume or in any way be responsible for any liability or obligation of any of the Debtors and/or their estates, except as otherwise expressly provided in the Purchase Agreement or this Order.

Modification of the Automatic Stay

21. The automatic stay provisions of section 362 of the Bankruptcy Code are lifted and modified to the extent necessary to implement the terms and conditions of the Purchase Agreement and the provisions of this Order.

Release of Liens by Creditors; Collection of Assets

22. Except as expressly provided to the contrary in this Order or in the Purchase Agreement, the holder of any valid Lien, Claim or Interest in the Debtors or the Assets shall, as of the Closing, be deemed to have waived and released such Lien, Claim or Interest, without regard to whether such holder has executed or filed any applicable release. Notwithstanding the foregoing, any such holder of such a Lien, Claim or Interest is authorized and directed to execute and deliver any waivers, releases, or other related documentation

reasonably requested by the Debtors to evidence the release of their Liens, Claims, or Interests in the Assets. Any person or entity that has filed any financing statements, mortgages, mechanic's liens, lis pendens, or any other documents or agreements evidencing a Lien on the Debtors or any of the Assets conveyed pursuant to the Purchase Agreement and this Order is directed to deliver to the Debtors prior to the Closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, or releases of all Liens which the person or entity has with respect to the Debtors or the Assets or otherwise.

23. In the event that such termination statements, instruments of satisfaction, or releases of all Liens are not filed in accordance with the foregoing paragraph, (a) the Debtors are hereby authorized to execute and file such statements, instruments, releases and other documents on behalf of the person or entity with respect to the Assets in the event not filed by such person or entity, and (b) the Buyer is hereby authorized to file, register, or otherwise record a certified copy of this Order, which, once filed, registered, or otherwise recorded, shall constitute conclusive evidence of the release of all Liens in the Assets of any kind or nature whatsoever.

24. As of the Closing, the Buyer and its successors and assigns shall be designated and appointed as the Debtors' true and lawful attorney with full power of substitution in the Debtors' name and stead on behalf of and for the benefit of the Buyer, and its successors and assigns, for the following sole and limited purposes: to have the power to demand and receive any and all of the Assets and to give receipts and releases for and in respect of the Assets, or any part thereof, and from time to time to institute and prosecute against third parties for the benefit of the Buyer, its successors and assigns, proceedings at law, in equity or otherwise, which

the Buyer, and its successors and assigns, may deem proper for the collection or reduction to possession of any of the Assets.

Effect of Recordation of Order

25. This Order, once filed, registered, or otherwise recorded, (a) shall be effective as a conclusive determination that, upon the Closing, all Liens, Claims and Interests of any kind or nature whatsoever (with the sole exception of the Assumed Liabilities) existing as to the Assets prior to the Closing have been unconditionally released, discharged, and terminated and that the conveyances described herein have been effected, and (b) shall be binding upon and shall govern the acts of all persons and entities including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, local officials, notaries, protonotaries, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to, the Assets. Each and every federal, state, and local governmental agency or department is hereby authorized to accept any and all documents and instruments necessary and appropriate to consummate the Transactions contemplated by the Purchase Agreement, including, without limitation, recordation of this Order.

Administrative Priority Status

26. Any amounts that become payable by the Debtors to the Buyer pursuant to the Purchase Agreement and any related agreements executed in connection therewith shall (a) be entitled to administrative expense claim status under sections 503(b)(1)(A) and 507(a)(2) of the Bankruptcy Code; (b) not be subordinate to any other administrative expense claim against

the Debtors other than allowed claims entitled to priority under section 507(b) of the Bankruptcy Code, (c) not be altered, amended, discharged or affected by any chapter 11 plan proposed or confirmed in these bankruptcy cases without the prior written consent of the Buyer, and (d) be paid by the Debtors in the time and manner provided for in the Purchase Agreement without further order of this Court.

Prohibition of Actions Against the Buyer

27. Except for the Assumed Liabilities or as expressly permitted or otherwise specifically provided for in the Purchase Agreement or this Order, the Buyer, HB Parent, MSEC, and their affiliates shall have no liability or responsibility for any liability or other obligation of the Debtors' arising under or related to the Assets or otherwise. Without limiting the generality of the foregoing, and except as otherwise specifically provided herein and in the Purchase Agreement, the Buyer, HB Parent, MSEC, and their affiliates shall not be liable for any claims against the Debtors or any of their predecessors or affiliates, and the Buyer, HB Parent, MSEC, and their affiliates shall have no successor or vicarious liabilities of any kind or character including, without limitation, any theory of antitrust, warranty, product liability, environmental, successor or transferee liability, labor law, ERISA, *de facto* merger, mere continuation, or substantial continuity, whether known or unknown as of the Closing, now existing or hereafter arising, whether fixed or contingent, with respect to the Debtors or any obligations of the Debtors, including, without limitation, liabilities on account of any taxes arising, accruing, or payable under, out of, in connection with, or in any way relating to the operation of the Debtors' business prior to the Closing or any claims under the WARN Act or any claims related to wages, benefits, severance or vacation pay owed to employees or former employees of the Debtors.

28. Effective upon the Closing, with the sole exception of any enforcement of rights related to the Assumed Liabilities, all persons and entities shall be, and hereby are, forever barred and estopped from (a) taking any action that would adversely affect or interfere with the ability of the Debtors to transfer the Assets to the Buyer in accordance with the terms of this Order and the Purchase Agreement and (b) asserting, prosecuting, or otherwise pursuing, whether in law or in equity, in any judicial, administrative, arbitral or other proceeding, any Liens, Claims or Interests of any kind or nature whatsoever against the Buyer and its successors, designees, assigns, or property, or the Assets conveyed under this Order in accordance with the Purchase Agreement.

No Interference

29. Following the Closing, no holder of a Lien, Claim and/or Interest in or against the Debtors or the Assets shall interfere with the Buyer's title to or use and enjoyment of the Assets based on or related to such Lien, Claim, and/or Interest or any actions that the Debtors may take in their bankruptcy cases or any successor cases.

Retention of Jurisdiction

30. This Court retains jurisdiction prior to, on, and after Closing to, among other things, interpret, enforce and implement the terms and provisions of the this Order and the Purchase Agreement, all amendments thereto, any waivers and consents thereunder, and each of the agreements executed in connection therewith in all respects, including, without limitation, retaining jurisdiction to: (a) compel delivery of the Assets or performance of other obligations owed to the Buyer; (b) compel performance of obligations owed to the Debtors; (c) resolve any disputes arising under or related to the Purchase Agreement; (d) interpret, implement, and enforce the provisions of this Order; (e) determine whether any lien or Encumbrance constitutes

No Stay of Order

31. Notwithstanding Bankruptcy Rules 6004(h) and 6006(d), this Order shall be effective and enforceable immediately upon entry and its provisions shall be self-executing. In the absence of any person or entity obtaining a stay pending appeal, the Debtors and the Buyer are free to close the Sale under the Purchase Agreement at any time pursuant to the terms thereof.

Good Faith Purchaser

32. The Sale contemplated by the Purchase Agreement is undertaken by the Buyer in good faith, as that term is used in section 363(m) of the Bankruptcy Code, and Buyer has acted without collusion, undertaking the Sale and Transactions contemplated by the Purchase Agreement. Accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Sale shall not affect the validity of the Sale to the Buyer (including the assumption and assignment by the Debtors of any of the Assigned Contracts and the Assigned Leases), unless such authorization is duly stayed pending such appeal. The Buyer is a buyer in good faith of the Assets, and is entitled to all of the protections afforded by section 363(m) of the Bankruptcy Code.

33. There has been no showing that the Debtors or Buyer engaged in any action or inaction that would cause or permit the Transactions to be avoided or costs or damages to be imposed under section 363(n) of the Bankruptcy Code.

**Commitment Letter
\$40.0 Million Senior Secured Multi-Draw Term Loan Facility**

Ladies and Gentlemen:

SLF SL Purchaser, LLC (“**you**” or the “**Borrower**”), has advised HPS Investment Partners, LLC (“**HPS**”, “**we**”, “**us**” or the “**Commitment Party**”), that you intend to seek financing (a) to make payments in connection with the acquisition of certain assets acquired from Shoreline Energy LLC (“**Shoreline**”) and the other Debtors (as defined in that certain Restructuring Support Agreement dated as of November 2, 2016 (as amended, supplemented or otherwise modified from time to time in accordance with the terms thereof, the “**RSA**”), and such acquisition, the “**Acquisition**”) and (b) for working capital needs and general corporate purposes of the Borrower and its subsidiaries, in each case as more fully described in the summary of terms and conditions attached hereto as Exhibit A (the “**Term Sheet**”). This Commitment Letter (as defined below) describes the general terms and conditions for a senior secured multi-draw term loan facility with the aggregate principal amount of \$40 million to be provided to the Borrower, as more fully described in the Term Sheet (the “**Credit Facility**”). Capitalized terms used in this Commitment Letter but not defined herein shall have the meanings ascribed to such terms in the RSA.

The entering into of this Commitment Letter, the Acquisition, the entering into of the Credit Facility and the initial borrowings thereunder and the related transactions contemplated by the foregoing as well as the payment of fees, commissions and expenses in connection with each of the foregoing, are collectively referred to as the “**Transactions**.”

1. **Commitments**. The Commitment Party is pleased to commit to provide 100% of the Credit Facility subject to and on the terms and conditions set forth herein and in the Term Sheet (this letter, together with the Term Sheet, the “**Commitment Letter**”). It is agreed that HPS or any one of its affiliates shall act as sole and exclusive lead arranger for the Credit Facility (in such capacity, the “**Lead Arranger**”). HPS, any one of its affiliates or a third party financial institution selected by HPS shall act as administrative agent for the Credit Facility (in such capacity, the “**Administrative Agent**”). It is further agreed that no additional advisors, agents, co-agents or arrangers will be appointed and no Lender (as defined in the Term Sheet) will receive compensation with respect to the Credit Facility outside the terms contained in this Commitment Letter, in each case unless you and we so agree.

You agree that (x) the closing date of the Transactions including the closing of the Credit Facility (the “**Closing Date**”) shall be a date mutually agreed upon between you and us, but in any event shall not occur until all of the terms and conditions in this Commitment Letter (including the conditions to initial funding) have been satisfied and (y) the commitments of the Commitment Party hereunder are subject to the conditions precedent contained in the Term Sheet.

2. **Information.** You represent and warrant that (a) all information (other than the Projections referred to below) that has been or will hereafter be made available by or on behalf of you, any of your respective subsidiaries or by any of your or their respective agents or representatives in connection with the Transactions (the “**Information**”) to the Commitment Party or any of its affiliates, agents or representatives or to any Lender is and will be complete and correct in all material respects and does not and will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein not misleading in the light of the circumstances under which such statements were or are made and (b) all financial projections (the “**Projections**”), if any, that have been or will be prepared by you or on your behalf or by any of your representatives and made available to the Commitment Party or any of its affiliates, agents or representatives or to any Lender or any potential Lender in connection with the Transactions have been or will be prepared in good faith based upon reasonable assumptions (it being understood that such projections are subject to significant uncertainties and contingencies and that no assurance can be given that any particular projections will be realized). You agree that, if at any time prior to the Closing Date any of the representations or warranties in the preceding sentence would be incorrect if the Information or Projections were being furnished, and such representations and warranties were being made, at such time, then you will promptly supplement, or cause to be supplemented, the Information and Projections so that such representations and warranties will be correct at such time. You also agree to promptly advise the Lead Arranger, the Commitment Party and the Lenders of all developments materially affecting you, any of your subsidiaries or affiliates or the Transactions. You agree that, in issuing the commitments hereunder, we will be entitled to use and rely on the Information and the Projections furnished by you or on your behalf without independent verification thereof.

3. **Costs, Expenses and Fees.** You agree to pay or reimburse the Lead Arranger, the Administrative Agent and the Commitment Party for all reasonable out-of-pocket costs and expenses incurred by the Lead Arranger, the Administrative Agent and the Commitment Party or its affiliates (whether incurred before or after the date hereof) in connection with the Credit Facility and the preparation, negotiation, execution and delivery of this Commitment Letter, the Loan Documentation (as defined in the Term Sheet) and any security arrangements in connection therewith, including without limitation, the reasonable fees and out-of-pocket expenses of counsel, regardless of whether any of the Transactions is consummated. You further agree to pay all out-of-pocket costs and expenses of the Lead Arranger, the Administrative Agent and the Commitment Party and its affiliates (including, without limitation, fees and disbursements of counsel) incurred in connection with the enforcement of any of its rights and remedies hereunder. Once paid, such fees shall not be refundable under any circumstances.

4. **Indemnity.** You agree to indemnify and hold harmless each of the Lead Arranger, the Administrative Agent and Lenders and their respective affiliates (including, without limitation, controlling persons) and each director, officer, employee, advisor, agent, affiliate, successor, partner, representative and assign of each of the forgoing (each an “**Indemnified Person**”) from and against any and all claims, losses, damages, liabilities and expenses (including, without limitation, the fees, disbursements and other charges of counsel) which may be incurred by or asserted against or involve any such Indemnified Person as a result of or arising out of or in any way related to or resulting from this Commitment Letter, the Credit Facility, the use of proceeds thereof, the Transactions or the other transactions contemplated thereby (regardless of whether any such Indemnified Person is a party thereto and regardless of whether such matter is initiated by a third party or otherwise) (any of the foregoing, a “**Proceeding**”), and you agree to reimburse each Indemnified Person upon demand for any legal or other out-of-pocket expenses incurred in connection with investigating, defending, preparing to defend or participating in any such Proceeding; *provided, however*, that no Indemnified Person will be indemnified for any such claim, loss, damage, cost, expense or liability to the extent determined by a final,

nonappealable judgment of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Indemnified Person. In the case of any Proceeding to which the indemnity in this paragraph applies, such indemnity and reimbursement obligations shall be effective, whether or not such Proceeding is brought by you, any of your securityholders or creditors, an Indemnified Person or any other person, or an Indemnified Person is otherwise a party thereto and whether or not any aspect of the Commitment Letter, the Credit Facility or any of the Transactions is consummated. Notwithstanding any other provision of this Commitment Letter, (i) no Indemnified Person shall be responsible or liable for damages arising from the unauthorized use by others of information or other materials obtained through internet, electronic, telecommunications or other information transmission and (ii) no Indemnified Person shall have any liability (whether direct or indirect, in contract, tort or otherwise) to you, or any of your securityholders or creditors arising out of, related to or in connection with the Commitment Letter, the Credit Facility or any of the Transactions or the other transactions contemplated thereby, in each case except to the extent of direct (as opposed to special, indirect, consequential or punitive) damages determined in a final, nonappealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Person's gross negligence or willful misconduct, and it is further agreed that the Commitment Party shall have liability only to you (as opposed to any other person).

You will not, without the prior written consent of the Indemnified Person (which consent shall not be unreasonably withheld), settle, compromise, consent to the entry of any judgment in or otherwise seek to terminate any Proceeding in respect of which indemnification may be sought hereunder (whether or not any Indemnified Person is a party thereto) unless such settlement, compromise, consent or termination (i) includes an unconditional release of each Indemnified Person from all liability arising out of such Proceeding and (ii) does not include a statement as to, or an admission of, fault, culpability, or a failure to act by or on behalf of such Indemnified Person.

5. **Confidentiality**. This Commitment Letter is furnished solely for your benefit, and may not be relied upon or enforced by any other person or entity other than the parties hereto, the Lenders and the Indemnified Persons. This Commitment Letter is delivered to you on the condition that none of the contents of this Commitment Letter shall be disclosed, directly or indirectly, to any other person or entity except (a) to your directors, officers, employees, accountants, attorneys and advisors, in each case on a "need-to-know" basis and only in connection with the evaluation and negotiation of the Transactions, (b) as may be compelled in a judicial or administrative proceeding or as otherwise required by law, and (c) to the First Lien Agent and the First Lien Lenders and their respective directors, officers, employees, accountants, attorneys and advisors, in each case on a "need-to-know" basis and only in connection with the evaluation and negotiation of the Transactions.

6. **Patriot Act**. We hereby notify you that pursuant to the requirements of the USA Patriot Act, Title III of Pub. L. 107-56 (October 26, 2001) (as amended, the "**Patriot Act**"), we and the Lenders are required to obtain, verify and record information that identifies the Borrower and its subsidiaries, which information includes the name, address, tax identification number and other information regarding them that will allow any of us or such Lender to identify the Borrower in accordance with the Patriot Act. This notice is given in accordance with the requirements of the Patriot Act and is effective on behalf of the Commitment Party and each Lender.

7. **Governing Law etc.** **This Commitment Letter shall be governed by, and construed in accordance with the laws of the State of New York without regard to principles of conflicts of law to the extent that the application of the laws of another jurisdiction will be required thereby. Any right to trial by jury with respect to any claim, action, suit or proceeding arising out of or contemplated by this Commitment Letter is hereby waived.** You hereby irrevocably and unconditionally submit to the exclusive jurisdiction of the federal and New York State courts located in

the City of New York, Borough of Manhattan (and appellate courts thereof) in connection with any dispute related to this Commitment Letter or any matters contemplated hereby or thereby and agree that any service of process, summons, notice or document by registered mail addressed to you shall be effective service of process for any suit, action or proceeding relating to any such dispute. You irrevocably and unconditionally waive any objection to the laying of venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding has been brought in an inconvenient forum. A final judgment in any such suit, action or proceeding may be enforced in any jurisdiction by suit on the judgment or in any other manner provided by law. Nothing herein will affect the right of the Lead Arranger or Administrative Agent or the Commitment Party to serve legal process in any other manner permitted by law or affect the Lead Arranger's or Administrative Agent's or the Commitment Party's right to bring any suit, action or proceeding against the Borrower or its subsidiaries or its or their property in the courts of other jurisdictions

You agree that the Lead Arranger, the Administrative Agent and the Commitment Party will act under this agreement as an independent contractor and that nothing in this Commitment Letter or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between the Lead Arranger, the Administrative Agent and the Commitment Party on the one hand and the Borrower and its management, stockholders or affiliates on the other hand. You acknowledge and agree that (i) the transactions contemplated by this Commitment Letter are arm's-length commercial transactions between the Lead Arranger, the Administrative Agent and the Commitment Party, on the one hand, and you, on the other, (ii) in connection therewith and with the process leading to such transaction the Commitment Party is acting solely as a principal and not as a fiduciary of you, your management, stockholders, creditors or any other person, (iii) the Lead Arranger, the Administrative Agent and the Commitment Party have not assumed an advisory or fiduciary responsibility in favor of you with respect to the Transactions or the process leading thereto (irrespective of whether the Lead Arranger, the Administrative Agent or the Commitment Party or any of their respective affiliates had advised or is currently advising you on other matters) or any other obligation to you except the obligations expressly set forth in this Commitment Letter and (iv) you have consulted your and its own legal and financial advisors to the extent you deemed appropriate.

You further acknowledge and agree that you and your subsidiaries are responsible for making your own independent judgment with respect to the Transactions and the process leading thereto. In addition, please note that the Lead Arranger, the Administrative Agent and the Commitment Party and their respective affiliates do not provide accounting, tax or legal advice. You and your subsidiaries agree

that you or they will not claim that the Lead Arranger, the Administrative Agent or the Commitment Party or any of their respective affiliates has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to you or your respective subsidiaries, in connection with the Transactions or the process leading thereto.

We reserve the right to employ the services of one or more of our affiliates in providing services contemplated by this Commitment Letter and to allocate, in whole or in part, to such affiliates certain fees payable to us in such manner as we and such affiliates may agree in our sole discretion. You also agree that the Commitment Party may at any time and from time to time assign all or any portion of its commitments hereunder to one or more of its controlled affiliates. You acknowledge that the Commitment Party may share with any of its affiliates, and such affiliates may share with the Commitment Party, any information related to the Transactions, you, any of your subsidiaries or any of the matters contemplated hereby in connection with the Transactions. proposed replacement for conflict or other to be determined reasons, the foregoing shall not prevent Purchaser from appointing a replacement on a temporary basis if the affirmative consent of MS has not been obtained;

6. a change in the tax classification of Purchaser and customary tax approval rights with respect to elections, audits and tax matters;*
7. any transaction between Purchaser or its subsidiaries, on the one hand, and the HB Funds or its affiliates, on the other hand, other than (a) ordinary course arm's-length transactions involving per annum consideration of not more than \$500,000 in the aggregate for all such transactions; provided, that this clause (a) shall not apply to transactions related to Purchaser's 1st lien credit facility, (b) ordinary course compensation arrangements between Purchaser and its subsidiaries, on the one hand, and their employees, on the other hand, and (c) transactions between Purchaser and its subsidiaries);*
8. a change in the principal line of business of Purchaser from the operation of the Designated Assets;*

12. any acquisition of material assets;
13. entering into a settlement of any material litigation or material regulatory proceeding in excess of an agreed upon threshold; or

Transfers:

MS and the HB Funds shall be permitted to transfer Units, subject to reasonable restrictions for transfers to certain competitors of Purchaser (to be mutually agreed between the HB Funds and MS at closing and as the same may be updated from time to time in a manner to be agreed), Tag-Along Rights and Drag-Along Rights described below. The parties will use commercially reasonable efforts to structure transfers in a tax efficient manner for each party, including by permitting the parties to sell one or more blockers owning Units; provided, that any purchase price discount resulting from the sale of a blocker will be borne solely by the party selling the blocker.

Right of First Refusal/Offer:

MS will grant the HB Funds a right of first refusal over direct or indirect sales or transfers of any Units (other than to affiliates) by MS or its affiliates, customary for transactions of this type; provided, that if MS can reasonably demonstrate that: (a) MS is required to directly or indirectly transfer its Units to a third party in order to satisfy any applicable regulatory requirements to which MS is subject or (b) there is a change to a regulatory requirement to which MS is subject that either prohibits or restricts MS's continued holdings of the Units or imposes a material adverse economic impact on its continued holding of the Units, then in either case, in lieu of a right of first refusal, the HB Funds will instead have a right of first offer with respect to such sale, which shall be customary for transactions of this type.

Tag-Along Rights:

If either party desires to directly or indirectly transfer any of its Units or economic interests therein (other than (a) with respect to transfers to its affiliates or, (b) in the case of MS, if, as reasonably demonstrated by MS, (1) MS is required to directly or indirectly transfer its Units to a third party in order to satisfy any applicable regulatory requirements to which MS is subject or (2) there is a change to a regulatory requirement to which MS is subject that either prohibits or restricts MS's continued holdings of the Units or imposes a material adverse economic impact on its continued holding of the Units), the transferring party must offer the non-transferring party the right to sell its pro rata share of such Units or economic interests therein, as applicable, in such sale at the same price per Unit and otherwise on the same terms on a pro rata basis.

Drag-Along Rights:

The HB Funds will have customary drag-along rights in connection with a Change of Control that is also an Approved Transaction, and MS will be required to sell (or allow Purchaser to redeem) all of its Units and take such other actions as may be reasonably required to

consummate such a transaction; provided, that MS will have customary protections regarding the right to receive its pro rata share of consideration, will not be required to agree to any non-compete, and will not be required to bear more than its pro rata share of any indemnification or similar liabilities (which in any event will not be greater than the amount of cash proceeds actually received in such drag-along sale). Any liability of MS in connection with a drag-along sale will be several and not joint, and MS will not bear any responsibility for any fundamental representations of the HB Funds in connection with a drag-along sale.

Preemptive Rights:

MS will have preemptive rights in connection with the issuance of any additional Units or other equity interests of Purchaser or any of its subsidiaries, with customary exceptions including, it being understood that the availability of preemptive rights will not limit MS's right to consent in item 2 under "Certain Approval Rights" above:

1. Units issued as a dividend or distribution to the extent issued to all holders of Units pro rata in accordance with their ownership of Units;
2. Units issued to employees or directors of, or consultants or advisors to, Purchaser or any of its subsidiaries pursuant to an employee equity or benefit plan approved by the Board;
3. Units issued to banks, equipment lessors or other financial institutions, or to real property lessors, pursuant to bona fide a debt financing, equipment leasing or real property leasing transaction approved by the Board;
4. Units issued to suppliers or third party service providers as consideration for the provision of goods or services pursuant to transactions approved by the Board; or
5. Units issued as consideration to the sellers in connection with the acquisition of another company by Purchaser by merger, purchase of substantially all of the assets or other reorganization or to a joint venture agreement, provided that such issuances are approved by the Board.

Disclaimer of Duties:

Purchaser and its members will disclaim and waive all duties to the maximum extent permitted by law, other than the implied contractual covenant of good faith and fair dealing.

Amendment of the Purchaser LLC

The HB Funds may amend the Purchaser LLC Agreement, subject to the approval rights set forth above in "Certain Approval Rights".

Agreement:

Governing Law: Delaware.

Course of Dealings: This Term Sheet supplements the Restructuring Support Agreement and the exhibits thereto. Furthermore, no course of conduct, statements or representations that occur or are made after the date hereof shall give rise to any binding obligation to proceed with any of the proposed transactions contemplated hereby. Rather, any binding obligation to pursue any such proposed transaction or any variation thereof would only arise upon executing and delivering the Purchaser LLC Agreement and other definitive documents, initial drafts of which will be prepared by counsel to the HB Funds.

Counsel and Expenses: The Debtors will pay all reasonable fees, costs, and expenses (including reasonable attorneys' fees) incurred by each of Purchaser, the HB Funds and MS in the negotiation, preparation, and drafting of the Purchaser LLC Agreement, the APA and any documents in connection therewith under the terms set forth in the Restructuring Support Agreement.

Representations and Warranties: The Purchaser LLC Agreement will include customary representations and warranties, including as to due organization and authority of Purchaser, investment capacity of the parties and historical operations of Purchaser.

Conditions to the Closing: The Closing of the Purchaser LLC Agreement will be subject, among other things, to the consummation of the transactions contemplated by the APA.

Tax Treatment: Purchaser shall be taxed as a partnership. Tax distributions shall be permitted and based on a rate to be agreed.

7. Section 6.1 of the Purchase Agreement is hereby amended by deleting the last sentence set forth therein and replacing it with the following:

“Other than with respect to the Federal Properties, Buyer is (or at the Closing will be) duly qualified or licensed to do business in the State(s) where the Assets are located and Buyer or Buyer’s Affiliates will be duly qualified or licenses to own or lease and to operate and use oil and gas assets in the State(s) where the Assets are located.”

8. Section 7.5 of the Purchase Agreement is hereby amended by including at the end of said Section the following new clause (c):

“(c) At any time, and from time to time, prior to the Closing, Buyer with the consent of MSEC (such consent not to be unreasonably withheld, conditioned or delayed) shall have the right to amend, modify and/or supplement Schedule 2.1(b)(xv) in order to reflect any and all additional Avoidance Actions to be acquired by Buyer pursuant to Section 2.1(b)(xv)(E) by providing notice of such amendment, modification and/or supplement to Sellers in accordance with Section 14.1. Upon delivery of such notice, Schedule 2.1(b)(xv) shall be deemed to have automatically been updated (without action of any Party or Person) to reflect such amendment, modification and/or supplement.”

9. Article 8 of the Purchase Agreement is hereby amended by including at the end of said Article the following new Sections 8.16 and 8.17:

“8.16 Existing Vendors.

From and after the Closing Date, Buyer agrees to consider the Existing Vendors with respect to future operations on or in connection with the Assets, in any event, to the extent it is commercially reasonable to do so; provided, however, that nothing in this Section 8.16 shall constitute (or be deemed to constitute) a commitment or an offer of any kind to any Existing Vendor; provided, further, that any and all determinations with respect to Existing Vendors (or any of them) for such future business shall be at the sole discretion of Buyer’s governing body.”

“8.17 OCS Properties.

(a) Buyer will use commercially reasonable efforts to become qualified, or to cause a wholly-owned Subsidiary of Buyer to become qualified, with BOEM to hold operating rights in and to all Properties located on the Outer Continental Shelf and subject to the jurisdiction of the BOEM (collectively, the “Federal Properties”). Notwithstanding anything herein to the contrary, in the event that Buyer (or such wholly-owned Subsidiary of Buyer) has not received qualification from the BOEM to hold operating rights in and to the Federal Properties within ninety (90) days of the Closing, Buyer may request that Sellers, and Sellers shall, promptly execute, acknowledge (as applicable) and deliver to Buyer all applicable forms reasonably requested by Buyer (including BOEM-0151, BOEM-1223, BOEM-1017 and BOEM Filing Letters forms), or otherwise required by the

BOEM and any other appropriate Governmental Authority, relative to the transfer of the ownership and/or operation of the Federal Properties from Sellers to Buyer, in each case, in a form reasonably acceptable to Buyer.

(b) Not later than sixty (60) days after the later of (i) the Closing, and (ii) the date on which Buyer (or a wholly-owned Subsidiary of Buyer) has been duly qualified by the BOEM to hold operating rights in and to the Federal Properties, Buyer shall, at its expense, (A) file or record the conveyance documents pertaining to the Federal Properties, including any notice documents or financing documents, with the BOEM and with any other appropriate Governmental Authority, (B) file for approval with the BOEM and any other applicable Governmental Authority all federal transfer and assignment documents for such Federal Properties, and (C) take all such actions and provide such information as may be reasonably required by the BOEM or any other appropriate Governmental Authority in order to obtain the approval of the assignments of such Federal Properties from Sellers to Buyer, including but not limited to the filing of any bonds, supplemental bonds, guarantees or other security.

(c) Notwithstanding anything to the contrary in this Agreement, until such time as Buyer (or a wholly-owned Subsidiary of Buyer) has obtained approvals from the BOEM and all other applicable Governmental Authorities with respect to the Federal Properties, the following shall occur:

(i) At the Closing, Sellers shall convey to Buyer beneficial title to the Federal Properties as provided in this Agreement;

(ii) As necessary, Sellers shall continue to hold the BOEM operating rights to the Federal Properties as nominee for Buyer; and

(iii) All of Sellers' Liabilities with respect to the Federal Properties shall constitute Assumed Liabilities from and after the Closing;

provided, however, that if Buyer (or a wholly-owned Subsidiary of Buyer) is not able to obtain all required approvals from the BOEM and all other applicable Governmental Authorities with respect to the assignment of the BOEM operating rights as to the Federal Properties on or prior to the date that is one hundred and eighty (180) days following the Closing Date, then, at any time following such date, but prior to the date on which Buyer (or a wholly-owned Subsidiary of Buyer) has obtained all such required approvals from the BOEM and all other applicable Governmental Authorities, Buyer shall have the right (but not the obligation), to cause the assignment and conveyance of Sellers' right, title and interests in and to the Federal Properties to be null and void, *ab initio*, in which case, (A) the Federal Properties shall constitute Excluded Assets for purposes of this Agreement, and (B) all Liabilities with respect to the Federal Properties shall constitute Excluded Liabilities."

10. Exhibit B to the Purchase Agreement is hereby deleted and replaced in its entirety and the form of Exhibit B to the Purchase Agreement set forth in Exhibit 1 attached to this First Amendment shall be inserted in lieu thereof.

11. Disclosure Schedule 5.26 to the Purchase Agreement is hereby deleted and replaced in its entirety and the form of Disclosure Schedule 5.26 to the Purchase Agreement set forth in Exhibit 2 attached to this First Amendment shall be inserted in lieu thereof.
12. Disclosure Schedule 8.3(c) to the Purchase Agreement is hereby deleted and replaced in its entirety and the form of Disclosure Schedule 8.3(c) to the Purchase Agreement set forth in Exhibit 3 attached to this First Amendment shall be inserted in lieu thereof.
13. The Purchase Agreement shall be amended by including at the end thereof (in appropriate numerical order) a new Schedule 2.1(b)(xv) in the form set forth as Exhibit 4 attached to this First Amendment.
14. MSEC hereby consents to the assignment by Buyer to SLF SL Purchaser Subsidiary, LLC, a wholly-owned Subsidiary of Buyer, of Buyer's right to receive hereunder the Federal Properties (including, but not limited to, the Assigned Lease and Interest described in Exhibit 5 attached to this First Amendment and the Wells related thereto), together with all other Assets attributable to such Federal Properties, as provided by Section 14.4 of the Purchase Agreement.
15. Except as expressly set forth in this First Amendment, (a) all provisions of the Purchase Agreement shall remain unmodified and in full force and effect, and (b) nothing contained in this First Amendment shall amend, modify or otherwise affect the Purchase Agreement or any party's respective rights or obligations contained therein.
16. This First Amendment is being executed by Sellers, Buyer and MSEC and shall be binding upon each of them, and their respective successors and assigns, for the uses and purposes set forth herein, and shall be effective as of the Effective Date.
17. Any dispute arising under this First Amendment shall be handled in accordance with Section 14.9 of the Purchase Agreement. Except to the extent modified by Section 14.9(a) of the Purchase Agreement, this First Amendment shall be governed by, and construed in accordance with, the laws of the State of Texas applicable to contracts made and to be performed entirely in in such state without regard to principles of conflicts or choice of laws or any other law that would make the laws of any other jurisdiction other than the State of Texas applicable hereto.
18. This First Amendment may be executed in one (1) or more counterparts, each of which shall be deemed to be an original of this First Amendment and all of which, when taken together, shall constitute one and the same instrument. Notwithstanding anything to the contrary in this Section 18, delivery of an executed counterpart of a signature page to this First Amendment by telecopier or email attachment shall be effective as delivery of a manually executed counterpart of this First Amendment.
19. Other than the Restructuring Support Agreement and the Settlement Term Sheet, this First Amendment, together with the Purchase Agreement and the other Transaction Documents, supersede all prior agreements between Buyer, MSEC, and Sellers with respect to the subject matter hereof and thereof, and constitute a complete and exclusive statement of the terms of

the agreements between Buyer, MSEC, and Sellers with respect to the subject matter hereof and thereof.
